

Top 10 most special people in the world

Looking at the ears, eating everything including metal, metal smoking like magnets ... are especially incredible abilities that not everyone can do.

"Look" with ears, eating everything including metal, metal smoking like magnets . are especially incredible abilities that not everyone can do.

Below is a list of the 10 most special people in the world, they possess extraordinary abilities that many people don't want.

Super memory

Daniel Tammet is one of the most special people in the world with the ability to remember numbers. In 2004, Tammets set a European record when remembering exactly 22,514 digits of the Pi sequence in 5 hours.

In addition, Tammets has excellent language learning ability, he is fluent in 10 foreign languages ??such as Spanish, French, and Finnish. Even Daniel Tammet can speak Icelandic fluently in just a week.

"Look" with ears

Ben Underwood had to eliminate his eyes when he was 3 years old due to cancer. Although he could not see anything, Ben could still function as a normal person due to his ability to locate echoes. This method is similar to how the dolphin communicates with ultrasound. Currently in the world, Ben is the only person with this special ability.

Thanks to this special ability, Ben can still play basketball, ride a bike . even dance.

"Bones"

Daniel Browning Smith is the most famous plasticizer in the world. He could fit his entire body in a box measuring 35x50cm, twisting both arms and legs to rotate his body 180 degrees.

Thanks to that miraculous ability, Daniel Browning Smith five times broke the world of flexing and now holds the record as the person who goes through toilet seats and a tennis racket in the shortest time.

Eat everything

Michel Lotio, born in 1950 in France world-famous with the ability to "eat everything" from metal to rubber, glass .

Lotio has this special ability from a young age, every day he eats about 1kg of metal. He used to eat 15 cart in the supermarket, 6 chandeliers, 7 televisions, 2 beds, a coffin. Even within 2 years from 1978 to 1980, Lotio had finished eating a small plane Cesna 150.

Lotio can eat everything because the stomach is twice as thick as normal people. He did not get sick when digesting hard materials but had difficulty digesting eggs and bananas.

Lotio died in June 2007, the cause of death has nothing to do with the metals he ate.

People with the strongest teeth in the world

Rathakrishnan Velu set a Guinness record when using a tooth pulling a 297.1 ton heavy train at Kuala Lumpur railway station for a distance of 2.8m. Due to possessing very strong teeth, Velu is called "King of Tooth".

Magnets

Liew Thow Lin, 70, from Malaysia, has the ability to attract metal objects so he is dubbed the "Magnet". His body can absorb many metal objects with a total weight of 36kg and the maximum weight of each object is up to 2kg. Thanks to this special ability, Mr. Liew used to pull a 4-seat car to move the distance of nearly 20m.

Mr. Liew also inherited this strange ability for 3 sons and 2 grandchildren.

People do not sleep

From 1973 until now, Mr. Thai Ngoc in Nong Son district, Quang Nam province did not sleep and was still very healthy. Mr. Ngoc has this special ability after experiencing a severe fever. Currently, although he is old, he can still carry two bags of fertilizer weighing 50kg to 4km distance from home to the field every day.

People do not know pain

Thanks to his ability to endure many times the pain of ordinary people, Tim Cridland, an American mutant, can pierce through his hands, throat, mouth without feeling pain.

According to the explanation of scientists, the signal to the brain to stop acts that harm Cridland's body does not work.

The man "talks" with animals

Kevin Richardson, a South African zoologist can "talk" to lions. Based on his instincts, he created a feeling of affection and friendship with the lord of the lord. He could spend the whole night beside playing, caressing his fur, even touching their teeth without fear of them attacking.

In addition to lions, Richardson can do the same with other animals like hyenas or newspapers.

People have bulging eyes

Brazilian Claudio Pinto has a very special ability, he can make his eyes bulge out of the 4cm eye socket.

1. Unbelievably incredible abilities of people

2. 7 famous women history set an impressive record
