Gonzo's Quest

We are talking about one an epic online slot machine with 20 paylines and 5 reels, but not just any reels. The setting is excellent, with an introduction that puts us in the role of Gonzo, the explorer we accompany in Peru. We can play for as low as \$0.01.

In addition, we have available the Free Falls or Avalanche functions, with which we can win free spins and additional prizes.

Tip: One of the essential slots. It will not give us the biggest prizes, but it does offer us a pretty high RTP, and it is really original.

Narcos

El Patrón awaits us in a slot with 3 rows, 5 reels, and 243 paylines. It is set in the first two seasons of 'Narcos,' the Netflix series that put Pablo Escobar back in the spotlight.

The bets range from \$0.20 as a minimum to a cap of \$200, and the maximum prize it offers us is \$200,400, with an RTP of 96.23%.

Tip: Great setting, 243 paylines, and a reasonably high RTP for a slot that does not leave us indifferent. Silver or lead.

Starburst

When we talk about Starburst, we talk about a five-reel and 10-payline slot, with bets ranging from \$0.20 needed to play and a limit of \$50. Indeed, the maximum prize does not exceed \$30,000, but that has not been a problem for becoming one of the most popular online slots games since it arrived at online casinos.

In fact, we only have to worry about spinning the reels, and we will automatically know if we have won or not.

Tip: Ideal slot for beginners, with straightforward gameplay and an RTP, guarantees us enough prizes.

Jumanji

Who has not seen Jumanji? The historical adventure has a 5-reel video slot and 36 paylines, with an interesting casino house edge of 96.33% that guarantees plenty of prizes. Another highlight of this slot is that we can make the reels spin from only \$0.01, with a maximum bet of \$50 with up to four features.

On the one hand, the slot machine strategy Sticky Vines sets the winning combination while the rest of the reel spins to ensure prizes. With Monsoon Wilds, some reels will go crazy and will not stop spinning.

Tip: A significant number of bonuses and special features and a relatively high RTP facilitate access to prizes.

Finn and the Swirly Spin

We are talking about a slot with 5 reels and up to 243 paylines. For this, we can bet from \$0.10 to \$50, and although the maximum prize does not exceed \$54,000, we find an RTP of 96.62%, a pretty interesting figure.

Finn and the Swirly Spin has a free spins key, with up to four variants of free spins, and also a random feature that includes another four variants.

Tip: A slot with very original graphics, set in Ireland, which offers us a great RTP and a better gaming experience.

Mad Mad Monkey

With 5 reels and 50 paylines, Mad Mad Monkey is waiting for us in search of bananas, coconuts, or peanuts. The bets in this slot machine range from \$0.50 to \$25, and although the RTP is somewhat lower than other slots we have seen, 95.4%, we cannot overlook the fact that we can win a prize of up to \$150,000.

We can get up to 10 free spins, all of them with an x3 multiplier if we get three scatter symbols on any of the reels. It offers us to bet the win to find out if the card is red or black and double the chance of winning.

Tip: An exciting slot, set in the jungle, which offers excellent prizes with an RTP within the normal range.

Wolf Gold

Number 1 in several casinos, we go to the American wild west searching for gold with this slot with 5 reels and 25 paylines. We have an RTP of up to 96.01%, and we can win a maximum prize of \$125,000 betting \$50, but the minimum amount we can play with is \$0.25.

When we activate the Money Respin feature, the moons are kept. Although we start with three, we can return to the initial square if a Money symbol appears on the screen.

Tip: Wolf Gold is an ideal slot for more advanced players who master the game and are willing to play with a lower RTP in exchange for better prizes.

Asgardian Stones

Asgardian Stones follows in the wake of the Norse mythology that we so often find in the world of slots. We have a machine with 5 reels and 20 paylines, in which we can obtain prizes of up to \$100,000.

A more than exciting amount with an RTP 96.31%, playing from \$0.20 and with a maximum bet of \$40.

Tip: A highly recommended slot for fans of Norse mythology, with a good RTP and maximum prize.

Fakir Slot

It is not a trip to India, but the \$243,000 that we can win as a maximum in this slot of 243 paylines and 5 reels can help us pay for the trip. We can play this progressive jackpot slot starting at \$0.10, with a maximum bet of \$25.

The 2% goes to the jackpot, and 10% of the money collected in the pot is reserved for the next jackpot.

Tip: A slot with a progressive jackpot, very popular in several casinos, assures us a good gaming session even though its RTP does not reach 96%.

Age of the Gods

Although Age of the Gods is a saga of jackpot slots, the "original" is Age of the Gods itself, 5 reels and 20 paylines slot, with a bet ranging from \$0.20 to \$10.
