The best PS4 games for kids aged 0 to 5 years old

If you are interested in PS4 games for toddlers or toddlers, then perhaps what you are looking for are the basic options that allow them to have fun in the colorful world. The following games are very simple and allow children to enjoy themselves without feeling stressed.

1. Tearaway Unfolded

Tearaway is a platform game (a subcategory of action games), with a primary emphasis on creativity. The world is built like a storybook, where everything is made from paper. You play as a messenger, trying to bring a message to a fictional character in the sky.

This is how the characters in the game make a connection with the player. Therefore, this game helps you interact with what happens on the screen, such as using the touchpad of the PS4 gaming controller to control and move objects.

The game does not contain any objectionable content and gives young gamers a chance to manipulate their creativity while playing.

1. Buy Tearaway Unfolded.

2. Knack 2

While Knack 2 is not the best platform ever created, it is a great option for young children just getting started with video games.

This is especially true in co-op mode, where an older player can help a smaller player overcome difficult parts. For example, you can use your abilities to enhance options for other players in combat. Any time you press R2,

the more experienced person will help you overcome difficult challenges.

1. Buy Knack 2.

3. LEGO Marvel Super Heroes 2

Most kids love LEGO, and you'll find loads of games, including the different series LEGO has teamed up with. Most of them have open-world action platforms with familiar LEGO locations and characters. These games are cooperative, so you can play with your children to help them.

As the name suggests, this game has all sorts of content from the Marvel universe. There are dozens of LEGO games available on PS4 and these are the best LEGO video games. However, the article chose this game to make it stand out because it was new and received positive reviews.

You should consider other options and buy what your child is interested in. Other options include LEGO The Incredibles, LEGO Jurassic World and LEGO Star Wars: The Force Awakens.

1. Buy LEGO Marvel Super Heroes 2.

The best PS4 game for kids from 5 to 8 years old

A little older children can enjoy more advanced games. The next PlayStation 4 game team allows children to use their imagination and continue their adventure.

4. Minecraft

Minecraft is a typical game of a generation and is suitable for children of all ages. The game does not have any content to alert parents and is also an open sandbox for children to do whatever they like.

Children can explore the world, create structures, play with friends or do anything else. Minecraft has some rules and space for creativity, making it an engaging game for kids.

1. Buy Minecraft: PlayStation 4 Edition.

5. Spyro Reignited Trilogy

Many children born in the 1990s grew up with Spyro, and today, Reignited Trilogy offers children a great way to do the same. Reignited Trilogy combines the improved versions of the three original Spyro games into one affordable package.

The Spyro game is one of the best platforms on the PS4. They provide beautiful graphics, great music and an exciting world to explore. This platform game is very simple and easy to understand. All of these make Spyro Reignited Trilogy suitable for children who begin to play video games on their own.

1. Buy Spyro Reignited Trilogy.

6. Sonic Mania

The classic franchise is getting a new start and Sonic Mania is a nostalgia for the classic Sonic games that many people have played on Sega Genesis. It also has leveled themes from the original games, along with some brand new designs.

The game has a bright and fast platform, along with great music that kids love. Sonic games offer a lot of replayability thanks to their wide-ranging design, allowing them to play in different styles each time.

1. Buy Sonic Mania.

The best PS4 game for kids from 8 to 12 years old

Children who are at or near the age of 8 to 12 can continue with games that contain deeper elements, and fortunately, you will find many interesting games suitable for this age group.

7. Rocket League

Rocket League is a sports arcade game, basically soccer, with rocket cars. This is a popular game because it is easy and allows you to perform all kinds of tactics to ensure victory.

You can play Rocket League alone, with friends or fight with others online. This is a fast-paced game that all children will enjoy, but older children will appreciate it more.

1. Buy Rocket League.

8. LittleBigPlanet 3

The LittleBigPlanet series is known for allowing players to use countless tools to create their own levels and even the entire game. The game contains loads of top content that kids can enjoy on their own or with friends, but it really shines on a level maker.

There are many things to test. Older children will be equipped with more things to drill down into the systems and what happens in the game (mechanics). But even if children don't want to create levels, this is also a game not to be missed.

1. Buy LittleBigPlanet 3.

9. Everybody's Golf

Sports games are a great choice for children, as they are family friendly and often easy to play. Everybody's Golf takes golf simulation seriously. It is a comfortable golfing experience like you find in the Mario sports game. It's easy to learn the basics, and you can drill down into further options if you like.

Even better, like the best PS4 games, Everybody's Golf also offers a great local multiplayer option. If you have a lot of children or like to play with them, this is a good option for family members to play together.

1. Buy Everybody's Golf.

The best PS4 game for kids from 12 to 16 years old

Kids coming of age have lots of fun gaming options. Any game rated **Teen** is usually suitable for this age.

10. Burnout Paradise Remastered

Burnout Paradise is an exciting open world racing game. Like other Burnout games, crazy driving, which you need to win races, will help you score. You also don't need to be friendly. Wear collisions with rival cars to temporarily slow them down and help you gain points.

You are free to conquer events in any order you want. If you need a break, go around the world and look for collectibles. This is one of the best racing games on PS4 and is a great choice for older kids who often love city ownership.

1. Buy Burnout Paradise Remastered.

11. Stardew Valley

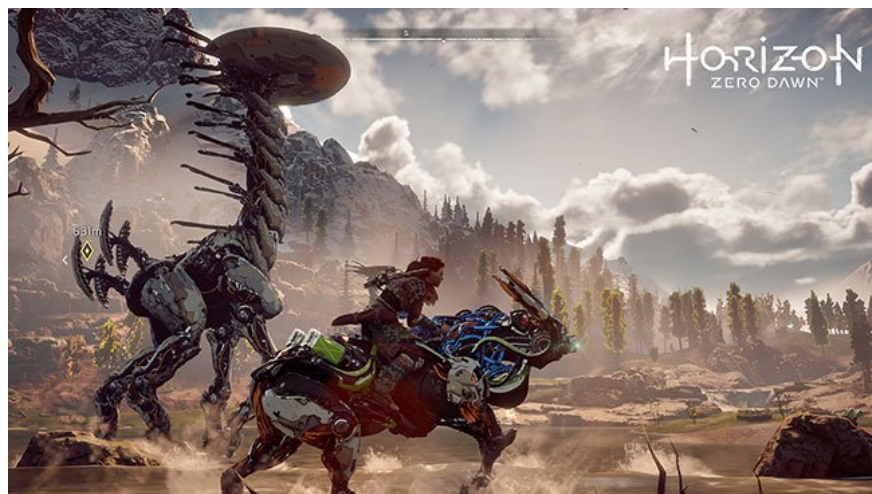

Stardew Valley is great for teenage kids who are interested in a more peaceful game. This simulation game allows you to take over your grandfather's farm and take all the responsibilities that come with it.

You will have to manage your time to perform tasks like clearing debris, buying seeds in town and regulating your social life. The game may be a little overwhelming at first, but this is a favorite game worth investing in.

1. Buy Stardew Valley.

12. Horizon Zero Dawn

Horizon Zero Dawn is an open-world adventure with animal-like machines. You play Aloy and find out where you are from.

The game has received many compliments for its interesting fighting, tight storyline and lovely characters. Many open-world games are not suitable for young players, but Horizon Zero Dawn is suitable for teenagers and still provides a great experience.

1. Buy Horizon Zero Dawn: Complete Edition.

There will be an option suitable for any of the little 'gamers' on this list of the best PlayStation 4 games for kids. And in many cases, you can enjoy these games in co-op mode to support them.

Of course, these are not the only great games that kids can play. Refer to the following articles for more details:
