

## Top 22 most popular torrent sharing sites

Top 22 most popular torrent sharing sites for movie devotees and people who regularly use uTorrent to download. Invite you to consult!

For film devotees and uTorrent users who regularly download, the torrent file sharing method is no stranger. Currently, there are many websites on the Internet that offer popular torrent files, but what is the best quality and most visited website?

Today's top torrent sites include some long-loved sites like **The Pirate Bay** ( *the world's largest data sharing site* ), as well as popular websites **KAT** , **RARBG** , **Limetorrents** and **1337X** .

Last year, a number of major websites about torrents encountered many problems such as inactivity, domain name acquisition, copyright issues or IP address blocking. However, that has little effect on users and websites about torrent that still have certain growth.

That tells us that **the best torrent site is always the high quality torrent site** you are watching and with most **Seeders** ( *people go to specific jobs such as creating a story and closing a story. many roles to bring that topic into a lively topic in the online community, to lead others to their own goals* ).

### Best torrent sites

Below is a list of the **Top 22 most popular torrent sharing sites in 2017** . If you're new to torrent, don't forget that you'll need a **Torrent Client** ( *software* ) to download these files! We have a list of top torrent downloaders today if you are interested.

**Note:** All torrent sites on this list are active unless otherwise noted, at least the last time we visit these sites remains "alive." Please tell us your opinion if you need to add or delete a certain torrent site!

## 1. The Pirate Bay - <https://thepiratebay.org/>

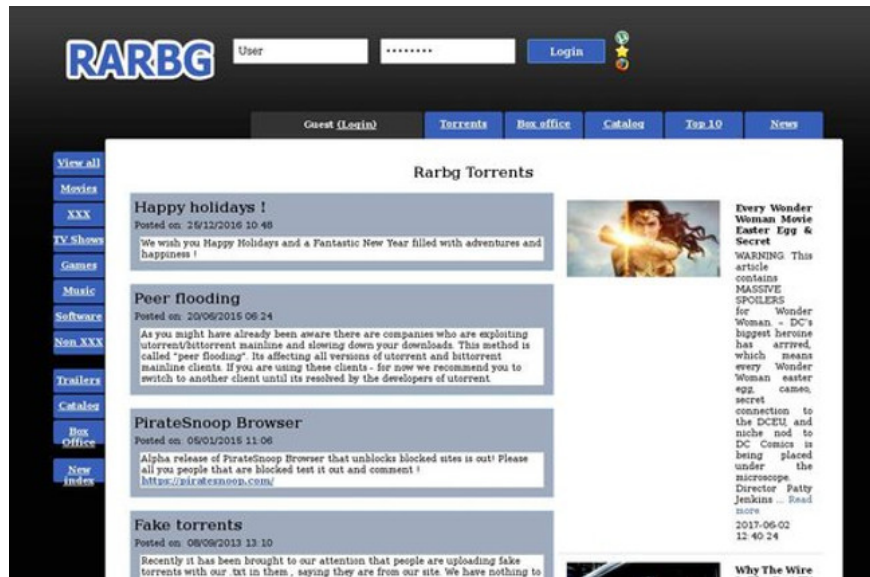

**The Pirate Bay - TPB** for short, a large monument in Torrent with a pirate symbol. This legendary website is a digital data sharing site, users can search and download data through **Magnet links** and **torrent files**, using the BitTorrent protocol.

The Pirate Bay is always a familiar and popular address when users need to **download** a certain **torrent file** and it is currently the data sharing site with the largest number of users.

The recovered data was like '*Pirate Bay*' collapsed but unexpectedly under the strong hard work of the tracker, the amount of data here improved. Here, you can download music videos, documents, ebooks, ., everything in the world.

The Pirate Bay is considered the "king" among the best torrent sites. Moreover, this is also the longest torrent site among torrent sites on this list of the top 22 most popular torrent sharing sites.

## 2. RARBG - <https://rarbg.to/index8.php>

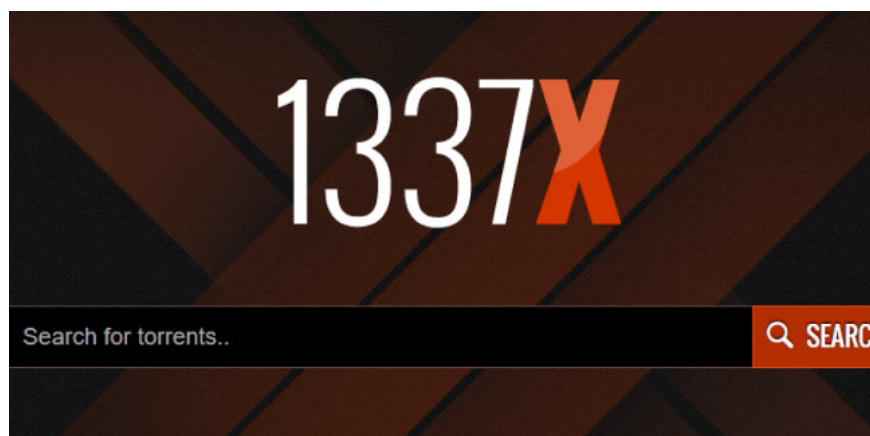

Maybe you don't know, **RARBG** is started from a Bulgari tracker and doesn't have a full website. But anyway, RARBG has attracted hundreds of thousands of users using their torrent sites, who want to download multimedia files quickly and without any hassle.

This torrent site for **P2P** enthusiasts, contains full quality and high-resolution torrents. It is about quality, not quantity. Moreover, at RARBG you can download the latest movies with compressed format from BRRIP 720p to 720p, 1080p and even Bluray.

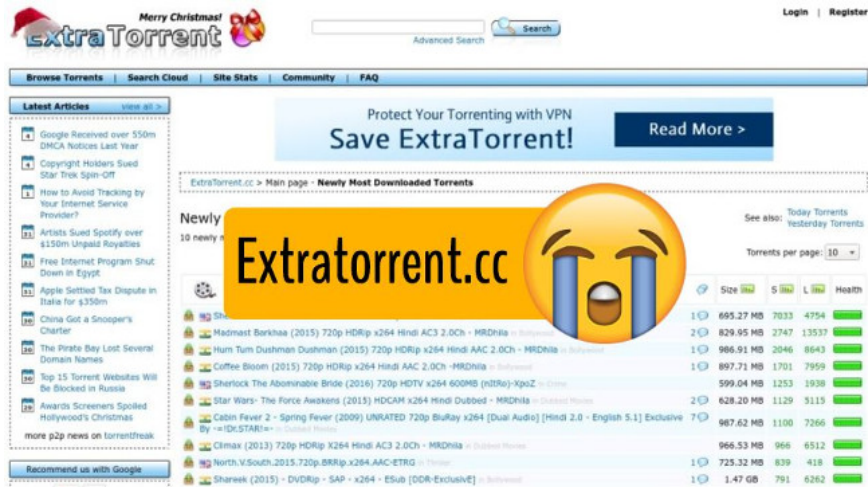

RARBG has built up an impressive reputation in providing films of a series of quality television shows.

### **3.3737X - <http://1337x.to/>**

**1337x** focuses on community factors, encouraging users to share content with each other. This site has had a few incidents in 2016, when many administrators and moderators protested about security. After considerable efforts by employees during the past, 1337X seems to be on the right track and this torrent site traffic has increased significantly this year.

### **4. ExtraTorrent - <https://extratorrent.cd/>**

**Extratorrent** is one of the most improved torrent sites over the years. Extratorrent constantly asserted itself, as evidenced by this site constantly keeping high rankings in the rankings over the past few years. According to the website founder, ET's community is one of the reasons for this success. This site is also home to famous ETTV and ETRG release groups.

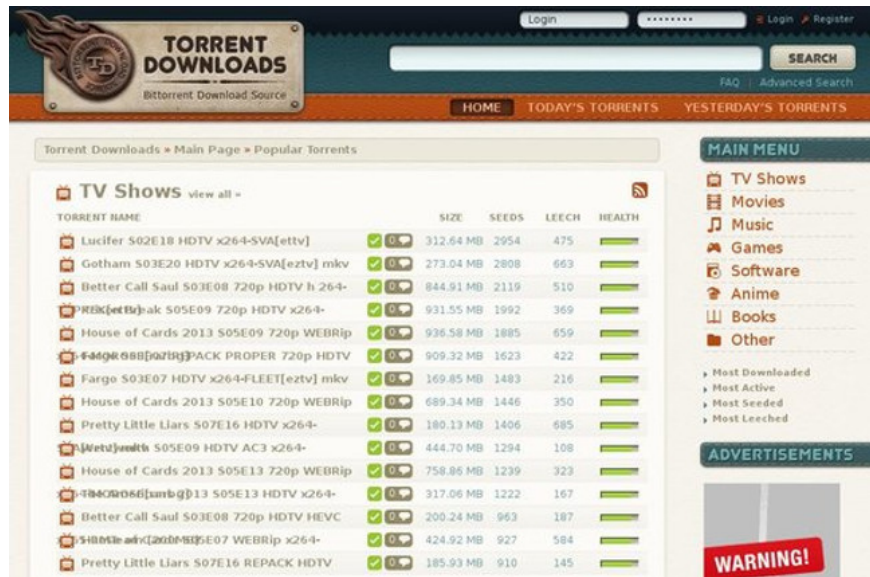

And most recently, after **KickAssTorren** was 'closed', most users switched to using **Extratorrent**, obviously a big 'bargain' that Extratorrent captured and used.

## 5. LimeTorrents - <https://www.limetorrents.cc/>

**Limetorrents** has captured a place in the top torrent site this year. The site's operator also released the torrent iTorrents cache a few months ago, used by some other torrent search engines. After several years of 'hidden', LimeTorrents finally came back and reaffirmed its position in the list of the best websites in 2017. LimeTorrent has been noticed and then used by many other meta torrent search engines. .

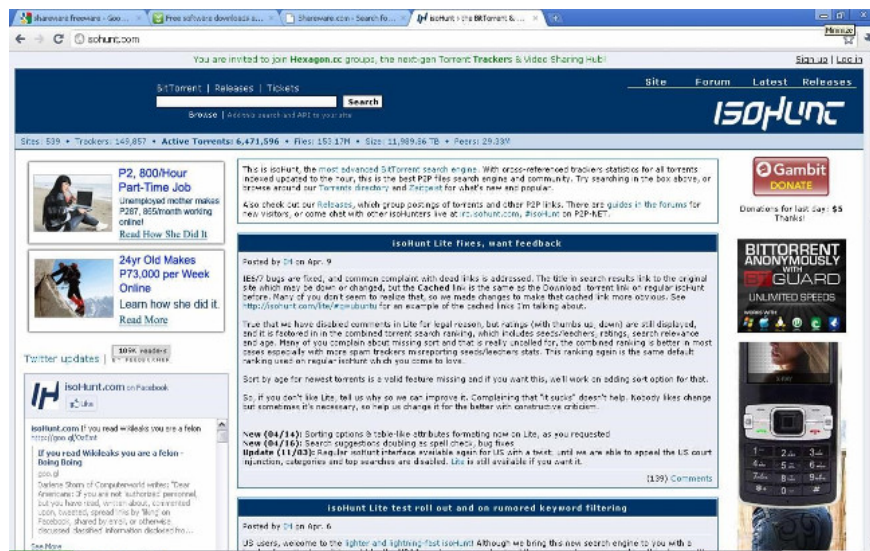

## 6. TorrentDownloads - <https://www.torrentdownloads.me/>

**TorrentDownloads** has been running for several years. The site has regained its post-losing position since 2011 and provided torrents to millions of users every month.

However, TorrentDownloads is blocked by most Internet service providers, and that is why users in many countries cannot access this torrent site.

## 7. IsoHunt - <https://isohunts.to/>

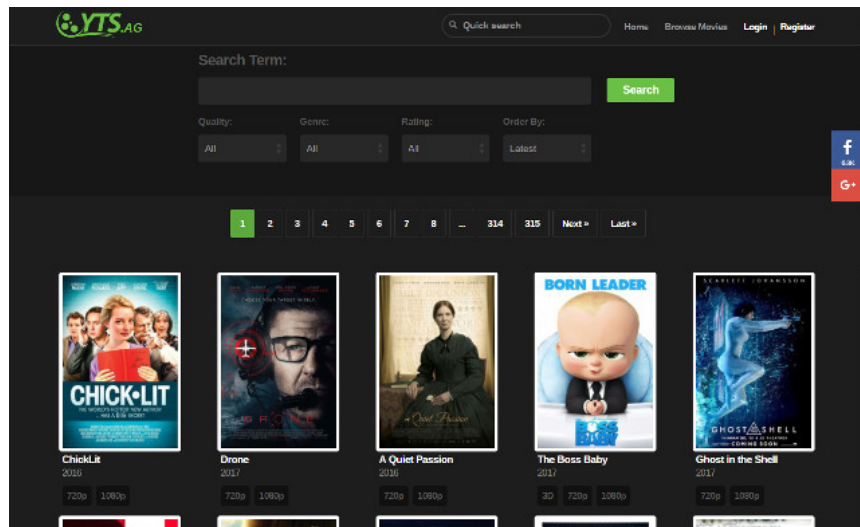

Starting in 2003, **IsoHunt** has undergone a lot of changes but even in its latest incarnation it is still a very popular torrent search engine.

IsoHunt is a perennial site that has won the respect of P2P users everywhere and the negative attention of the recording industry. While being sued by the CRIA, the isoHunt team fights to continue its solid service. IsoHunt community helps by monitoring for fake files. When selecting torrents, you should be sure to read all of the users' opinions and only trust that the files that have earned a lot of green responded positively at isoHunt.

**Note :** Avoid any torrents with red font numbers and negative comments, you need to have cultivated more experience in isoHunt.

## 8. YTS.AG - <https://yts.am/>

The first thing you need to know **YTS.AG** has nothing to do with the **YTS** group or even the **YIFY** release group but was founded with the purpose of replacing these groups.

In fact, YTS.AG has taken control of the YTS and YIFY brands effectively, but that doesn't mean it's not good enough to be on the list of the best torrent sites.

Just as with the **EZTV** group with a few large sharing sites, it does not allow this group to use YIFY and YTS names ( *brands* ) on their websites.

## 9. Torrentz2 - <https://torrentz2.eu/>

**Torrentz2** is not a website that shares official torrent files but is a tool for finding torrent files. When users search for a torrent link here, it will give you lots of links to other real torrent sharing sites.

Torrentz2 is a super search engine that can give you results from over 60 different torrent sites. Torrentz2 is a torrent site that replaces **Torrentz.eu** has been shut down by the end of 2016. According to sources, **Torrentz.eu** has closed itself and does not want to provide its services to online users anymore.

## 10. KAT - <http://kickasstorrents.to/>

This is a fairly popular torrent site that is officially called " *Kickass Torrents* " and maintained through other mirror sites.

## 11. TorrentFunk - <https://www.torrentfunk.com/>

The screenshot shows the homepage of the TorrentFunk website. At the top, there is a navigation bar with links for "Verified", "Upload", "FAQ", "Friends", "Cloud", and "RSS". Below this is a search bar with the text "Search a torrent here..." and a "SEARCH" button. The main content area features a "Top 50 Torrents" table with columns for "Torrent Name", "Added", "Size", "Seeds", "Peers", "Uploader", and "Health". The table lists various torrents, including "Sulu 20082 HDTV x264", "The Legend of Zelda HD TV EXTREME new Telex TV", and "The Legend of Zelda HD TV x264". To the left of the table, there is a "CHECK THIS OUT" section with a "TORRENT POLL" section below it. The website has a dark theme with green accents.

This is a fairly popular torrent site, a small part depends on the " *verified* " status indication, as well as user comments.

## 12. Torlock - <https://www.torlock.com/>

The screenshot shows the Torlock website interface. At the top, there is a search bar and navigation links for CATEGORIES, NEWS, FRESH, TOP 100, and ACCOUNT. Below the navigation is a list of trending content including 'Me 3 - Dj Khaled', 'Dunkirk', 'Ed Sheeran', 'French Montana', 'Game of Thrones', 'Game of Thrones S07e01', 'Game of Thrones S07e02', 'Game of Thrones Season 7', 'Ghost In The Shell', 'Guardians of The Galaxy', 'Guardians of The Galaxy 2', 'Hindi', 'Imagino Dragons', 'Jay Z', 'Justin Bieber', 'Katy Perry', 'Kondrick Lamar', 'Kevin Gates', 'Kong Skull Island', 'Lil Wayne', 'Linkin Park', 'Logan', 'Nichijou', 'Power Proacher', 'Selena Gomez', 'Shawn Mendes', 'Spider Man Homecoming', 'Sults', 'The Mummy', 'The Mummy 2017', 'War For The Planet of The Apes', and 'Wonder Woman - 2017'.

Mahoujin Guru Guru (2017) - 03	4 hours	333 MB	260	42	Good
Knight's & Magic 04	4 hours	303 MB	735	21	Good

**Torlock** is very special. These people really have to pay commissions to their users if they discover fake torrents and report to their community. In a world of fake files, this is a huge service.

If you are a regular downloader and are tired of downloading fake files, try accessing Torlock.

### 13. EZTV - <https://eztv.ag/>

The screenshot shows the EZTV website interface. At the top, there is a search bar and navigation links for Home, Countdown List, Calendar, Show List, Forum, RSS, FAQ/Help, and Login. Below the navigation is a section titled 'Airs today on EZTV: Tuesday' with a list of shows including 'Americans (2013), The Rebel', 'Being Mary Jane', 'Detrolters', 'Other TV Shows', 'Brooklyn Nine-Nine', and 'Deadliest Catch'.

There is also a 'Website News' section with several announcements, including 'The registrations on EZTV are open', '[eztv] is releasing again!', 'Users login is fixed; About Watched Lists', 'Password reset and open registrations', 'Welcome to our new home', 'Feedback required by users', and 'Looking for new content administrator'.

The main section is titled 'EZTV Series: Latest Torrents - Watch & Download TV Series on EZTV' and contains a table with the following columns: Show, Episode Name, Dload, Size, Released, Seeds, and Forum.

William The Conqueror 1080p HDTV x264 AAC mp4 [eztv]		U	1.44 GB	4h 7m	153	

**EZTV** is a torrent site that specializes in TV shows. The original EZTV distribution group was shut down after a series of authorities' interventions after the unhappy takeover in 2015 when the new owner claimed the brand ownership.

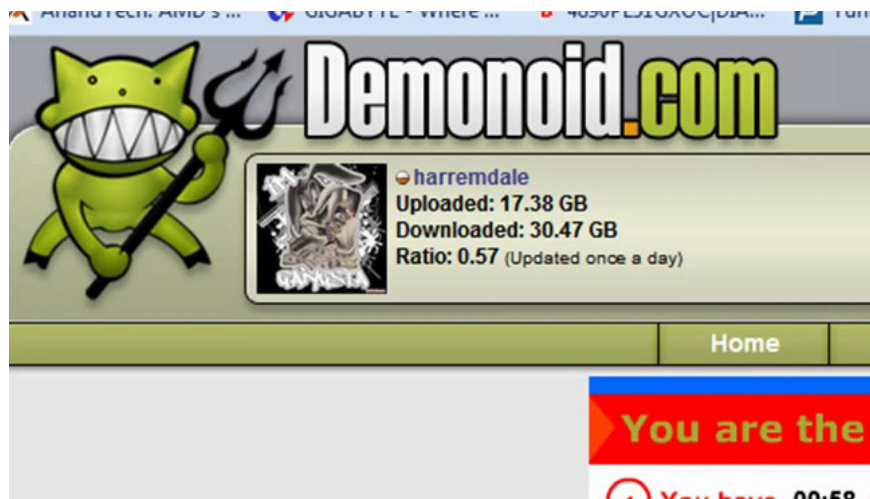

The new group has now created the EZTV.ag site and started providing new torrent files in collaboration with already implemented file sharing community managers to prevent sharing these *new releases* from their website. However, this sharing is prohibited on some other torrent sites due to that controversial history.

### 14. Sky Torrents - <https://www.skytorrents.in/>

# Sky torrents

With a huge database and a fairly clear interface, it's not surprising that we often hear people mention this torrent collection millions of times.

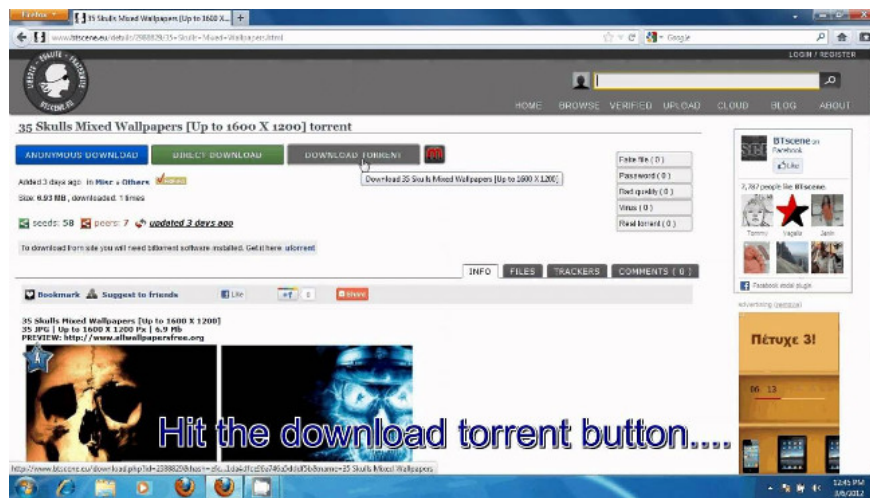

## 15. Demonoid - <https://www.demonoid.pw/>

**Demonoid** is one of the best viewed sites among similar services. However, in order for the file to be indexed by Demonoid, you must have a free registration account here, but the service is not always open!

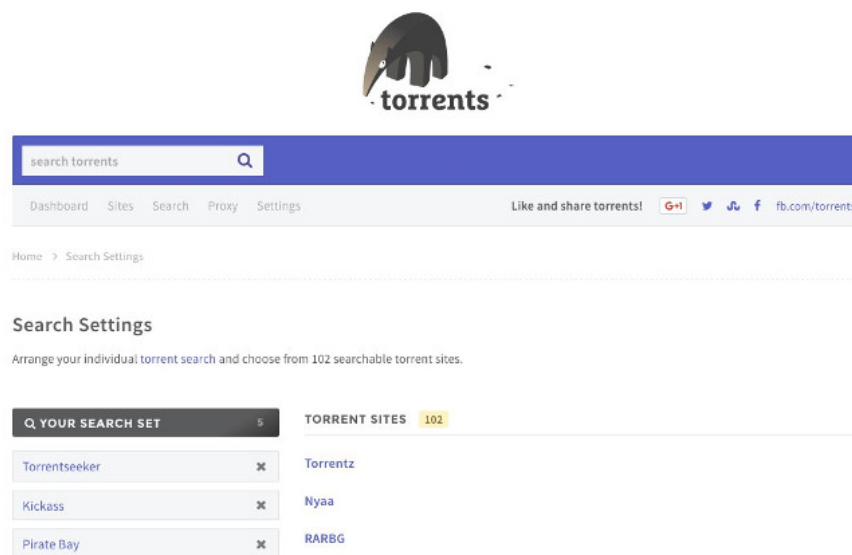

You can only subscribe to this service on a seasonal basis or have an invitation from another user. If you have an account here, experience to understand why Demonoid is still considered one of the most remarkable services.

## 16. BTScene - <https://bt-scene.cc/>

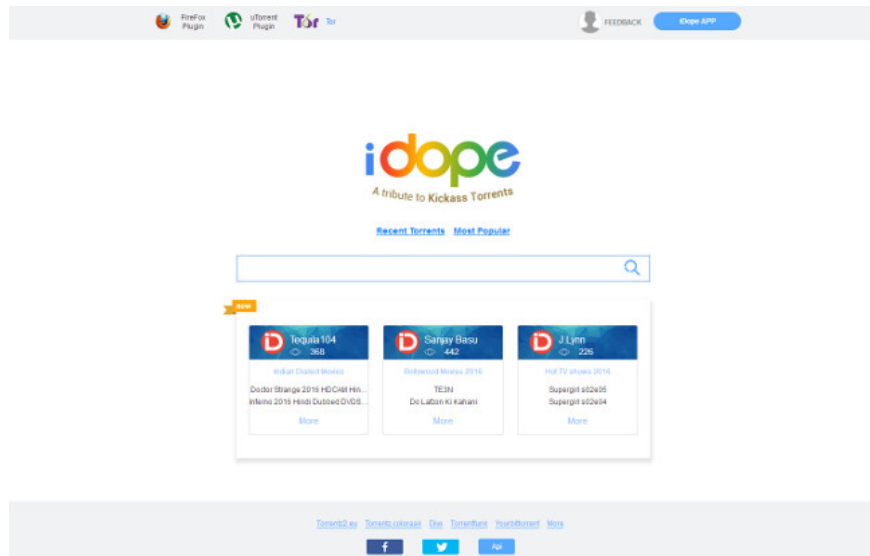

The interface is clear and less annoying by advertising making **BTScene** one of the users' favorites.

## 17. Torrents.me - <https://torrents.me/>

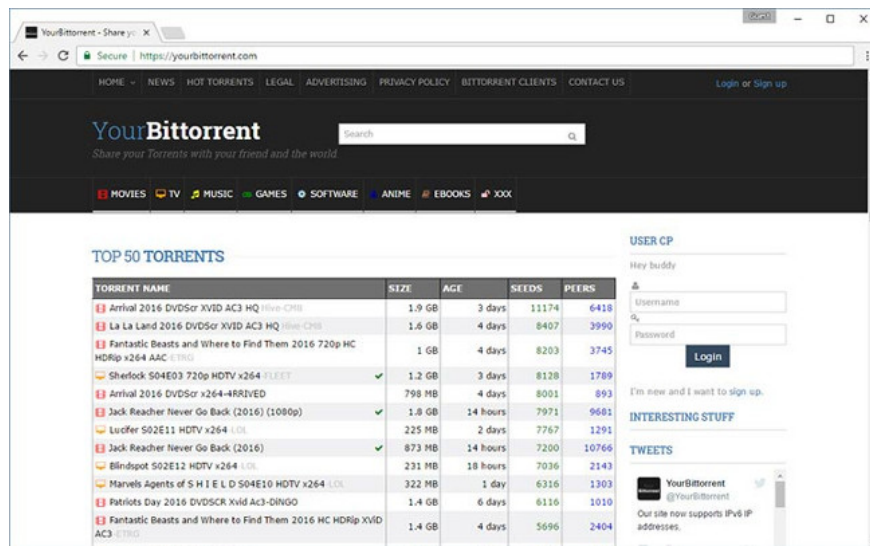

This meta torrent site is not very special among all the other sites but we like great dashboards on their home page. If you are a computer addict and a torrent fan, you will appreciate what they did.

## 18. iDope - <https://idope.se/>

The torrent iDope website is worth mentioning if only for the improvement of the **iDope Android app** . Share P2P files right from your smartphone or tablet!

## 19. YourBittorrent - <https://yourbittorrent.com/>

The clean interface is a big reason to try searching for this torrent site ., especially if you're new to BitTorrent.

## 20. Monova - <https://monova.org/>

**SeedPeer** is a huge database of over 3 million torrent files. Simple search interface and tag cloud map help you like exploring a means to find interesting movies, TV shows and music artists. Fans highly appreciate the torrent SeedPeer website, so try to take the time to experience it!

In addition, there are currently many popular non-English torrent sites such as **7tor** , **RuTracker** , **Pirateiro** and **ArenaBG** . They will be more difficult to use with downloaders who only speak English but may contain a file you are looking for.

## Tips for new users of BitTorrent

What has been downloaded and torrent users for many years may not need much help, but if you are a new torrent user, we have **two helpful resources** that will surely make you happy to read. OK:

First, we recommend reading *Torrent File Sharing: A Beginner's Guide: A Beginner's Guide*. Here, you will learn how to share BitTorrent files, how to protect yourself and how to access the movies and songs you are looking for most safely and effectively.

The second thing is probably more useful than the article [How to Spot Fake Torrents](#) ( *how to know the "fake" torrent page* ). This is really a big problem and not only new users are worried about this. In the above article, there are many torrent site search tips that will help you get out of danger.

Also, keep in mind that ads on torrent sites tend to favor **NSFW**, so keep that in mind when deciding to use one of them on a public computer or someone else's computer.

Lastly, make sure you are running the update blocking software before visiting any of these websites.

Above is the **Top 22 most popular torrent sharing sites in 2017** that gives you a huge download repository that can use some fast torrent downloaders. In case you don't want to use specialized software to download torrents, you can also use the high-speed download support tool IDM to do this. Hope you can find your favorite torrent files.

Good luck !
