

Top 5 best Assassin's Creed games of all time

Summary of 5 best Assassin's Creed games in this series of action games. Which game should I play in the Assassin's Creed series?

Assassin's Creed is one of the series of open-world action games, has left many beautiful impressions in the hearts of many gamers (including myself), and is known as a golden egg of Ubisoft.

This series of games has become a very popular media franchise and even has its own movie adaptation of this title directed by Michael Fassbender, along with countless toys to follow.

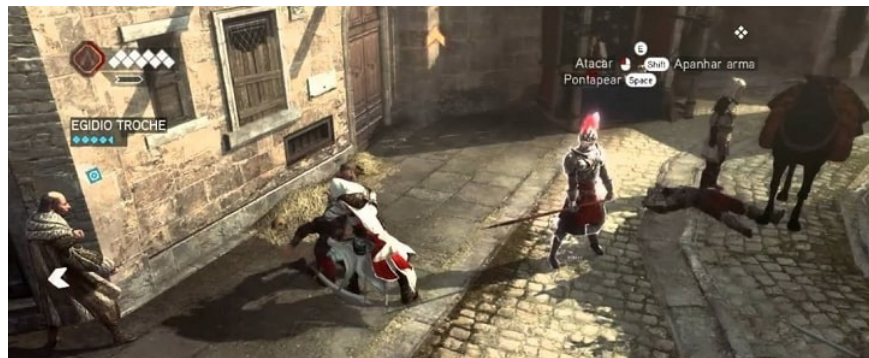

If you are a lover of **Assassin's Creed** but are struggling because you do not know which is the best version to play, today I would like to introduce to you **5 parts of the game Assassin's Creed worth playing the most** .

#first. Assassin's Creed: Brotherhood

Assassin's Creed: Brotherhood is considered as the highest breakthrough of this series.

This is the second in the **Trilogy trilogy** about the assassin Ezio Auditore and also the first game in the series to feature a Multiplayer mode, which includes a Level system that allows players to gain experience in battles, and level up. new degree.

You can recruit assassins into the organization, stir up the whole city of Rome and perform battles together.

At the time when **Assassin's Creed: Brotherhood** was released, the game was like a present from Ubisoft to gamers.

Although released in 2010 and has become an old game, but if you do not experience it, you will miss a great experience.

#2. Assassin's Creed II

Assassin's Creed II was released in 2009 and is known as one of the best games of the year, the pride of the Series.

The game opens to us a magnificent, ancient 15th-century Italy and you will be free to explore famous landmarks here such as Venice, Florence, Forlì, Rome, San Gimignano or the Tuscan countryside. The character's point of view, Ezio Auditore.

The gameplay of **Assassin's Creed II** is extremely rich, the hiding mechanism is more diverse, the guards will be more alert to your presence, the combat system has been much improved compared to the predecessor, the player has can disarm an opponent by counter-attacking without a weapon.

Besides the excellent Gameplay, the game also shows the depth of the plot.

You will feel like you are caught up in Ezio's decades-long journey of revenge along with the character's feelings and thoughts. Therefore, **Assassin's Creed II** is an extremely great game for you to enjoy.

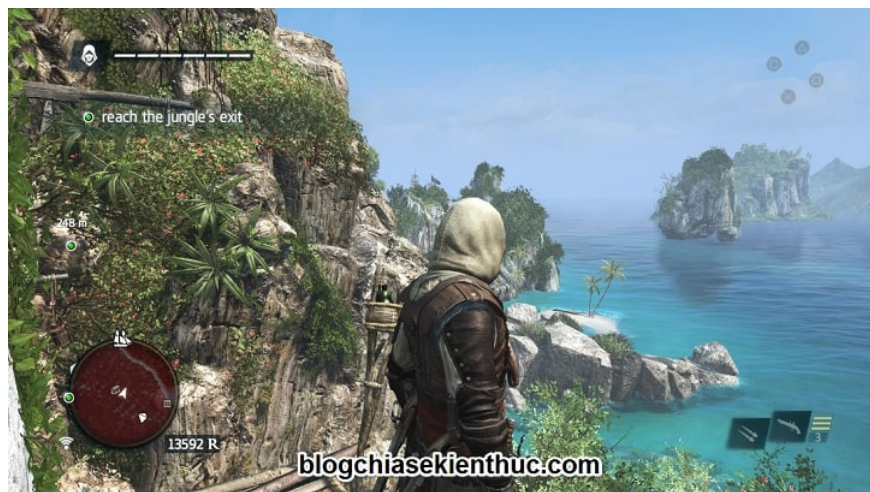

3. Assassin's Creed IV: Black Flag

If you are looking for an assassin-style sea adventure game, **Assassin's Creed IV: Black Flag** is a perfect choice for you.

In the game, you will be playing the role of Edward Kenway a pirate cum assassin going on different missions, after assassinating some Templars, you can become the captain of a private ship.

As for the plot, the game is somewhat lengthy, but Edward Kenway is an extremely interesting and energetic character.

In terms of Gameplay, the game will make you feel extremely comfortable with the battles on the boat or when you show off Parkour.

In addition, you can dive to the bottom of the sea, hunt whales or even hunt ghost ships on a vast ocean. Therefore, all of the above factors create a unique Black Flag.

4. Assassin's Creed Origins

Released in 2017, **Assassin Creed: Origins** was like a powerful hit at the time.

Different from its predecessors, Origins gives us the beauty that comes from the arid desert, following in the footsteps of Bayek we admire a majestic ancient Egypt.

In terms of plot, the name Origins of the game reminds us of the origin of the original assassins and evokes the story of the game, which is the history of the existence of Templars and Assassin Brotherhood.

Gameplay, combat mechanics and character movements have been changed a lot and also caused mixed opinions, but the game still sets a standard for other Assassin's Creed games.

Although still stuck with some small particles, but this is still an extremely excellent game and is well worth your experience whether you are a fan of the Assassin's Creed series or not.

5. Assassin's Creed Odyssey

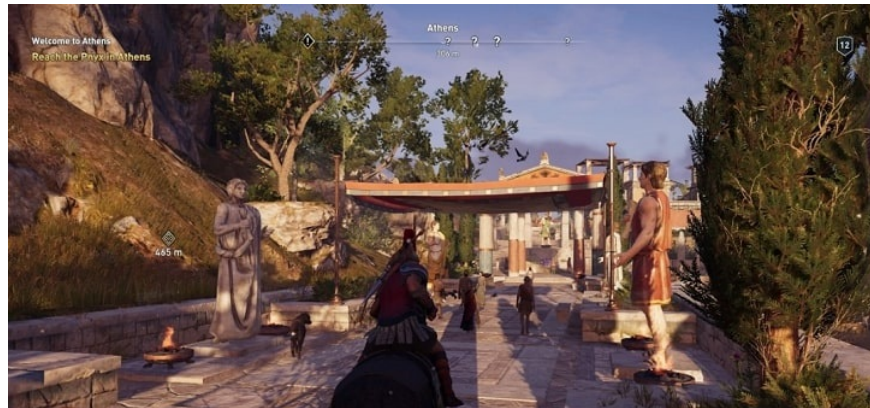

Assassin's Creed Odyssey is the latest installment in the Assassin's Creed series.

The game takes place in 431 BC, this is the beginning of the war between the ancient Greek cities of Spartans Peloponnesus and Delos of the Athenians, but the content of the game is structured. .

Assassin's Creed Odyssey gives us a vast open world for players to explore. The content of the game is extremely attractive but a bit 'plow-hoe' because it includes the tasks that are somewhat similar.

In addition, Assassin's Creed Odyssey has a pretty 'fun' bounty mode that if you kill as many civilians, loot and even destroy the enemy, you will be rewarded, chased by the enemies. The enemies are extremely powerful at least 10 levels beyond you and they will cause troubles for players and make gamers mad.

The game is completely different from its predecessors, although old fans may be disappointed by not liking an assassin with the look of Sparta.

Disappointing to see the killer hoodie style, but the game still gives players a very attractive journey. Therefore, Assassin's Creed Odyssey is still a decent game worth your time to complete it.

Epilogue

So we have reviewed **5 most worth playing games in the Assassin's Creed series** .
