

Top 5 best cheap Android tablets 2019

Tablets today are considered a convenient and portable alternative to laptops. Here are 5 cheap Android tablet options you should consider, bringing a balance between features and price.

Tablets today are considered a convenient and portable alternative to laptops. You can easily find a cheap Android tablet to read newspapers, play simple games, play videos, browse the web or check email daily.

Low-cost tablets are often slow with older versions of the Android operating system, and their screens are dim and unreliable. If you are looking for the best cheap Android tablet, you should choose a device with a minimum screen size of 8 inches and a resolution of 1280 × 800 for good image quality. You should also check storage specifications and battery life.

Here are 5 options you should consider, bringing a balance between features and price.

1. Tablet and laptop, which option is right for you?
2. Top 6 best Windows tablets
3. The best tablets for children

Note: The price of Android tablets in this article is for reference only at the time of writing, subject to change. You should contact the seller to get the most accurate price.

1. Lenovo Tab 4 8 Plus (VND 2.8 million)

This tablet runs Android 7.1 Nougat and many applications from Google Play Store. However, if you want security, you should choose a tablet with Android operating system recently.

Its flexible processor clocked at 1.4Ghz, which is sufficient to run all software, online videos, games and applications. In addition, it has 2GB RAM and 16GB internal memory expandable with micro SD slot.

The IPS panel of 1280 × 800 resolution is not the best but still brings clear images and text to you with powerful sound from Dolby Atmos speakers. The Li-polymer battery is above average with a 4850 mAh battery capacity. All of this is packed in a 310g tablet, making it one of the most portable tablets on this list.

Advantages:

1. Cheap
2. Good performance
3. Good battery life
4. Features many users
5. Premium design

Defect:
