

# Top 5 Best Free Fire female characters in January 2021

Women are often thought of as the weaker sex, but this doesn't seem to be true in Free Fire. Like the male characters, the Free Fire female characters also possess great skills, helping the player in fighting and these are the top 5 best Free Fire characters in January 2021.

The characters in Free Fire have become an indispensable feature of the game. The game currently has 35 characters and except for Primis and Nulla, each of them boasts a unique skill. Character choice is completely subjective and varies from player to player.

Besides male characters, the Free Fire female character series is also a favorite choice of many players. In this article, Taimienphi.vn will introduce you to 5 best Free Fire female characters in January 2021.

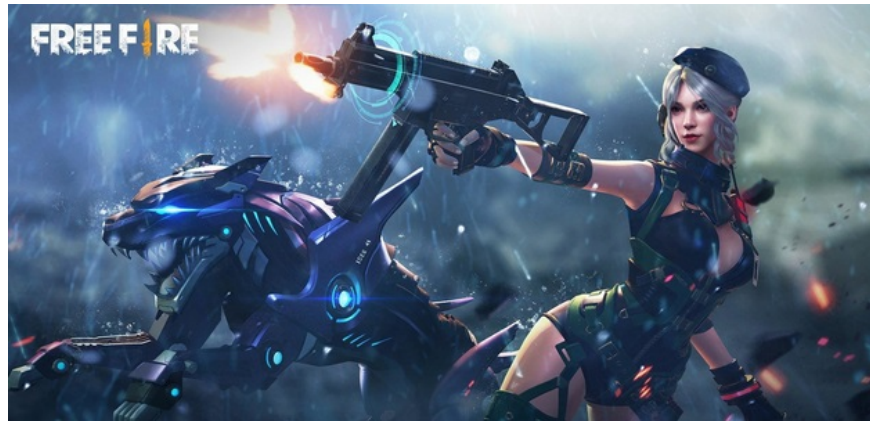

## Top best female characters in January 2021 in Free Fire

### 1. A124

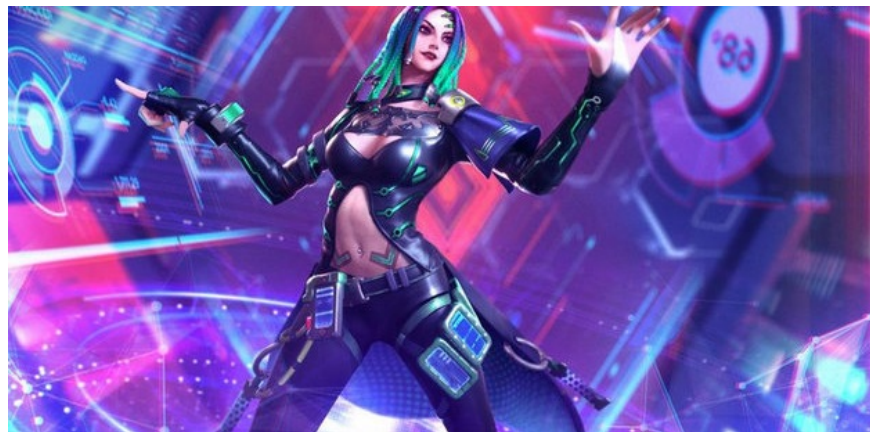

The A124 possesses an activation skill called Thrill of Battle. This ability allows her to quickly convert 25 EP to HP with a cooldown of 90 seconds at first level. Thrill of Battle is enhanced by character level up.

### 2. Laura

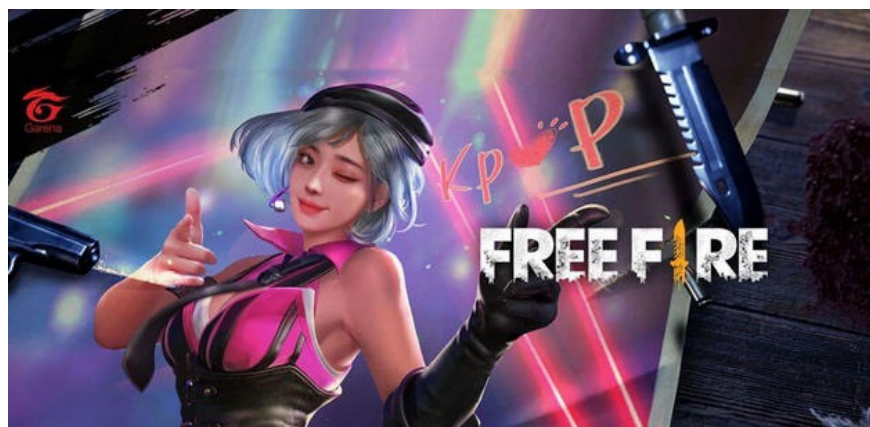

Laura's passive skill, called Sharp Shooter, will increase Laura's accuracy by 10 when she has a gun equipped with a viewfinder. When leveling up her character, her skills have also improved and her accuracy will be 30 when she mounts a sniper on a gun.

### 3. Moco

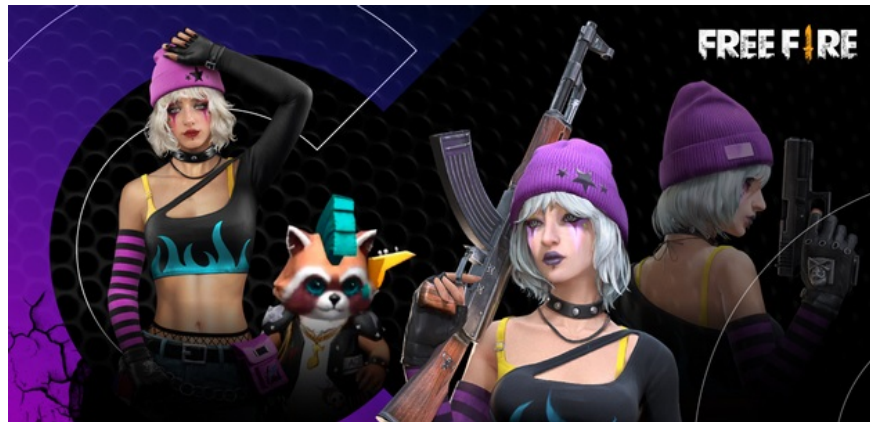

Moco's Hacker's Eye ability marks enemies shot for 2 seconds at first level. As the player levels up, the mark duration increases accordingly.

### 4. Kapella

Kapella has an impressive passive skill called the Healing Song. This ability increases the effect of items and healing abilities by 10%, and reduces allied blood loss by 20%.

## 5. Dasha

Dasha's Partying On skill reduces fall damage by 30% and reduces recovery time by 60%. Besides, this skill also reduces by 6% recoil on movement and maximum recoil.

This article has introduced you to 5 best Free Fire female characters in January 2021. Have you fought with any of these characters and which is your favorite female character in Free Fire?
