

# Top 5 cool offline games like Free Fire under 50MB

The recommended games in this article are for people who want to play Free Fire but cannot due to lack of memory, weak phone .... These are five of the offline games or like Free Fire under 50MB of storage .

Free Fire is a popular battle royale game where players have to fight to be the last person alive on the battlefield. There have been many instances where players are unable to download games, simply because they don't have enough storage space on their mobile devices. If so, try to download and play the 5 games below, they are as good as Free Fire and have a capacity of less than 50MB.

## 1. Stickman Battle Royale

True to the name, players play the role of a stick figure and fight other similar characters, you will have to ensure safety when fighting enemies, like in Free Fire. Stickman Battle Royale has over a million downloads on the Google Play Store and can run smoothly on low-end devices as well. Players are landed on an island as one of hundreds of stickmen, and fight for survival.
