

Top 5 easiest Free Fire weapons to use

Similar to the stats, each weapon in Free Fire has a different difficulty level in usage. There are many types of guns that are not as difficult to use as you think and these are the top 5 most easy to use guns in Free Fire that you need to know.

The weapons system is perhaps the most important element in all shooters and Free Fire is no exception. All types of guns in the game are unique and each has its own strengths and weaknesses. However, some are really easy to use while others require skill. In this article, we will together learn about 5 most easy to use guns in Free Fire.

The easiest to use Free Fire weapon

5. MP40

The MP40 is the last member of the SMG class. It has the highest rate of fire when compared to any weapon in Free Fire. In return it is one of the lowest-firing guns in the game. Using this gun, you can shoot extremely fast to deal damage to nearby enemies. Because of the relatively low recoil and high rate of fire, you can simply fire in close range without much need to aim.

4. M4A1

M4A1 is the AR gun with the highest range in the game. Along with excellent precision and the ability to equip all types of accessories, the M4A1 is fully equipped that is the best gun to use in the final ring and is also a great choice for new players. .

3. UMP

The UMP is the only SMG that has armor penetration with a score of 64. That means the UMP is the most lethal weapon in the SMG class, penetrating more than 65% of enemy armor when hit. If you're already using UMP, stick with it and retrofit if possible.

2. XM8

XM8 is a better version of SCAR, with high stats of everything from damage to rate of fire and range, even movement speed while holding the XM8 is excellent. However, you'll have to stick with the built-in X2 viewfinder on the gun.

1. Groza

There's a reason Groza is called a weapon of control. After all this time, it is still the best weapon in Free Fire. Groza can only be purchased through Airdrop. It has pretty much everything - high damage, high range, high stability, the ability to equip all the accessories . Overall, if you get a Groza from your Airdrop, your chances of survival You will increase exponentially.
