When traveling abroad, travel adapters are one of essential items that are indispensable. These travel power outlets will help you charge everything from your phone, laptop to electric razor, brush. And when traveling these items are very important.

Over the years, travel power sockets have changed dramatically. Previously, they were just sockets, now with USB ports. And if you're lucky, you can find a power outlet with USB-C port to charge the MacBook Pro.

1. How to charge iPhone on a new MacBook Pro

If you're looking for a versatile, international power outlet with USB ports, you're in the right place. This article will introduce some of the best travel power outlets for you to consider.

Note: The price of travel power socket in this article is for reference only, is subject to change. You should contact the seller to get the most accurate price.

The versatile travel power socket with the best USB port

1. Epicka Universal Travel Adapter (nearly 500 thousand VND)
2. Bonaker Universal Travel Adapter (420 thousand VND)
3. Unidapt International Travel Charger (511 thousand VND)
4. Newvanga Worldwide Travel Adapter (nearly 270 thousand VND)
5. Xcentz Universal Power Adapter (511 thousand VND)
6. Saunorch Travel Adapter (465 thousand VND)

1. Epicka Universal Travel Adapter (more than 500 thousand VND)

The first socket on this list is Epicka Universal Travel Adapter which is very popular. It has more than 83% positive reviews. This socket comes with three international power plugs (USA, Europe, New Zealand / Australia) and has three USB Type A and USB Type C ports.

You can use it to charge iPhone / Pixel with smart watch and laptop. And it allows charging multiple devices at the same time.

The highlight of this product is that it has an integrated safety fuse, which can withstand the impact of bad connection, increase voltage. In addition, it has sliders on the side of the plug, you just need to pull it to unplug.

The output of USB Type A ports is 2.4A, while the maximum output of Type C ports is set to level 3, suitable for charging phones.

In addition, Epicka Universal Travel Adapter also comes with a convenient zipper lock when traveling with a Lightning to USB cable for your Apple devices.

2. Bonaker Universal Travel Adapter (420 thousand VND)

Without USB C charging port, you can choose Bonaker Universal Travel Adapter. It is almost similar to the above power outlet, except for the USB Type C port. You can use four USB-A ports and a plug that can be used in more than 150 countries such as the US, Australia, Japan and other European countries. Europe and Southeast Asia.

This electrical outlet is capable of preventing electric shock. Like Epicka's socket, the Bonaker Universal Travel Adapter can charge multiple devices at once. It is 6.3cm tall, 6cm wide and weighs about 0.11kg.

3. Unidapt International Travel Charger (nearly 490 thousand VND)

Another travel power outlet also received many positive reviews as the Unidapt International Travel Charger. It is rated 4.6 stars out of 5 and has about 86% positive reviews. This socket comes with 4 USB adapters and plug systems compatible with most countries, allowing you to charge up to 5 devices at once.

The USB port comes with 2.4A output for each port. The design of this socket is similar to the Epicka socket, you need to pull the slider along the sides to unplug the plug you want to use. In addition, this socket is made with high quality material, so you don't need to worry about the device catching fire. It also has the ability to resist electric shock like the above products.

The difference from other products on this list is that it has smart IC chip, device type identification and optimized charging speed.

4. Newvanga Worldwide Travel Adapter (nearly 302 thousand VND)

Next on this list is the Newvanga Worldwide Travel Adapter socket. The design of this socket does not have a pull and push slider as the above sockets. Instead, all three plugs are placed in a compartment, you need to draw them by hand when needed.

In addition, this power outlet has a USB-A port to charge your phone, toothbrush, hair irons or other smart devices. However, users are warned against using high-capacity devices such as irons, hair dryers, etc. It has a capacity of 6A (100-240VAC) and works great on any product. Support products. This socket has over 900 customer reviews and is rated 4.4 stars on Amazon.

5. Xcentz Universal Power Adapter (511 thousand VND)

If you want to charge your phone quickly, Xcentz Universal Power Adapter is the right choice. It has four USB-A ports with 2.4 A output at 5V. In addition, it comes with compatible plugs on most countries around the world such as the US, UK, New Zealand / Australia and Japan.

It is worth noting that the maximum AC power of the Xcentz Universal Power Adapter is 880W at 110V and 1840W at 230V. The highlight of this power outlet is that it's small and portable with dimensions of 2.7 x 2.4 x 2 inches and weighs only 150 grams. This travel power outlet is blue and black for your choice.

6. Saunorch Travel Adapter (465 thousand VND)

With over 700 reviews and 4.5 stars, Saunorch Travel Adapter is the ultimate versatile travel power outlet on this list. This is a 5-in-1 socket with four USB ports and a common AC outlet. In addition, the small size of this charger allows you to use all ports at the same time without dropping the socket. The output power is 660W at 110V, 1320W at 220V and 1380W at 230V.

One thing you need to remember is not to use a power outlet with high energy consumption devices such as irons, kettle, etc.

Your tour will be destroyed if your smartphone or camera runs out of battery. And there's nothing worse when you can't charge them because you don't have a power outlet. Of course, you can take this electrical outlet everywhere, even domestic travel.
