

# Top 9 beautiful tattoo websites

Over the years, there have been a lot of tattoo designs and designs on the Internet. Many tattoo patterns are even available for free if you know where to find them.

Not long ago, society still discriminated against tattooists. Today, people see tattooing in a more positive way. People use tattoos to tell stories, mark events and turn the body into living art works. Over the years, there have been a lot of tattoo designs and designs on the Internet. Many tattoo patterns are even available for free if you know where to find them.

Here are the websites to find free tattoo designs and ideas you should consider.

## Refer to the beautiful tattoo sample with the following 9 websites

1. 1. Tattoo.com
2. 2. Tatooton.com
3. 3. Instagram
4. 4. Tattoodo.com
5. 5. Customtattoodesign.ca
6. 6. Tattoo-ideas.com
7. 7. /r/ tattoos
8. 8. Vecteezy.com
9. 9. Inkbox.com

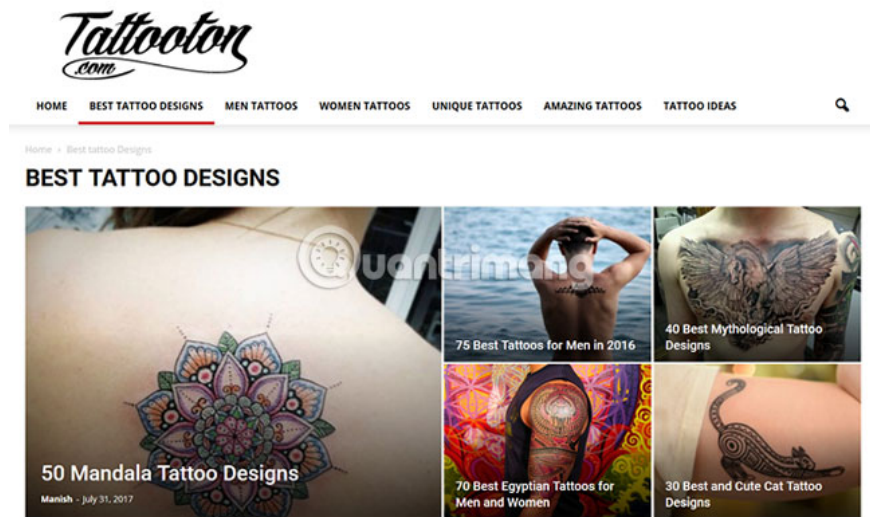

### 1. Tattoo.com

Since 1998, Tattoo.com has become one of the most popular websites that has everything about tattoos. This site regularly runs articles and interviews related to tattoos, outstanding information related to artists and a section for photos of tattoos that users send.

Create an account that gives you access to the site's community features. This is where you can save your favorite designs, leave reviews and upload your own photos. Tattoo.com's regularly updated YouTube channel has interviews with other prominent musicians and tattoo enthusiasts about their body work.

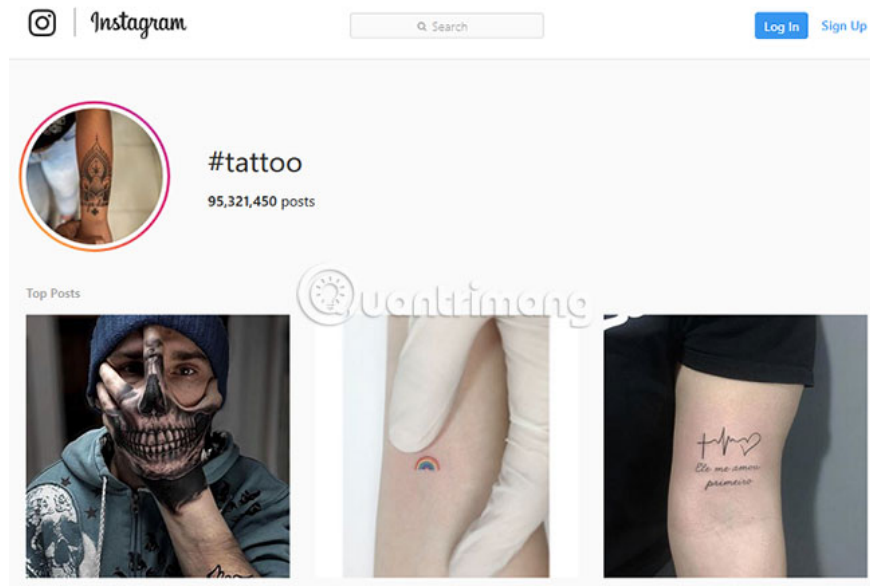

## 2. Tattooton.com

This blog highlights some of the most beautiful tattoo designs. There are many themes such as heart tattoos, elephants or mandala (Sanskrit letters) and each post also provides a bit of foundation for that type of tattoo. Most especially, this page highlights some of the most complex and excellent tattoos by year.

You can filter tattoo designs exclusively for men and women or for wonderful and unique tattoo patterns. This website has not been updated since mid-2017 but is still a great resource for anyone interested in designing their own tattoo.

### 3. Instagram

In recent years, users have seen Instagram evolve from a photo sharing site with thousands of selfie photos into one of the most important visual media platforms. In 2017, Instagram added hashtag tracking and users can put their favorite information right into the main feed. This photo sharing social network has become one of the best places to find artists and discover new tattoos.

Artists will post photos of their works and users often tag their favorite artists after tattooing. However, Instagram is not limited to photos with hashtag **#ink**, with designers regularly posting designs related to art and tattoos. Instagram also makes it easy to save your favorite images into collections, for easy access from the profile page.

Download Instagram for Android (Free) | iOS (Free).

### 4. Tattoodo.com

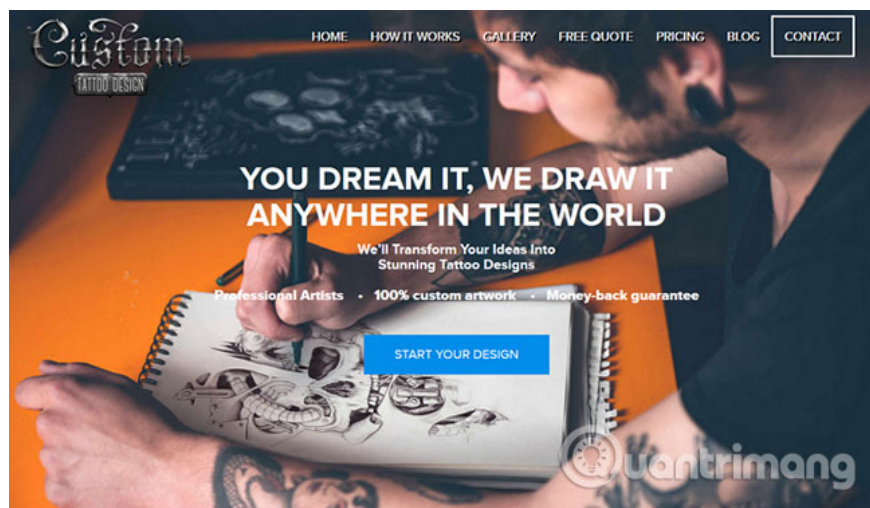

Tattoodo is a social networking site designed specifically for tattoo lovers. Co-founded by Ami James from the prestigious Miami Ink, Tattoodo is one of the most visited tattoo websites in the world. This site, along with accompanying mobile apps, boasts 30 million users. After receiving international friends' praise for his TV works, James began developing a complete tattoo resource, where users can upload and browse photos, find and follow artists, watch videos, as well as read interviews and tutorials related to tattoos.

Tattoodo is also a booking platform in prestigious tattoo studios around the world. Studios are listed by location and consulting can be booked directly through the website or mobile application. This feature also makes it easy to find safe and reputable studios to perform tattoos if you're away from home.

Download Tattoodo for Android (Free) | iOS (Free).

## 5. Customtattoodesign.ca

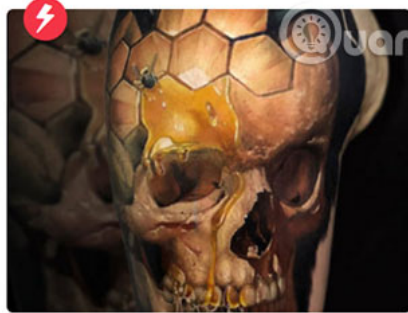

For many people, tattoos are personal artworks on the body, so the models available are not suitable for everyone. If you want to create your own tattoo, but not an artist, Custom Tattoo Design may be what you need. Let's start with a brief description of the design and Custom Tattoo Design will provide an estimated cost. After agreeing to the estimated cost, you choose an artist to design the tattoo pattern.

Custom Tattoo Design (CTD) always tries to make sure customers are satisfied with the final result. Before you get the final design, the tattoo artist will send you a rough sketch to preview. If you are not satisfied with the design, CTD will give you a full refund. The final design comes with a certificate, copyright authentication from the artist who created the work, then you can get your customized tattoo.

## 6. Tattoo-ideas.com

## 3D Tattoos

Honeycomb Skull

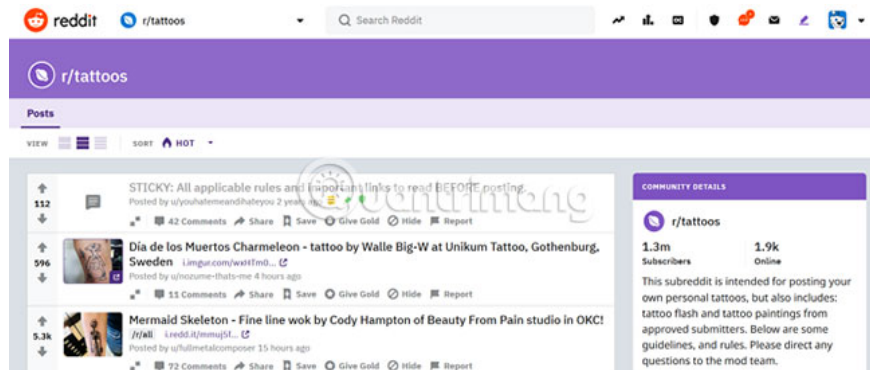

Checkmate

Tattoo Ideas does not have celebrity interviews about tattoos. Tattoo Ideas did not produce videos or associate with famous artists. Instead, Tattoo Ideas keeps things simple and focuses on tattoos. This website is a collection of user-submitted tattoo designs, body tattoo pictures and some of the best tattoo ideas.

You can browse the entire library or filter by section. Parts are specifically divided into tattoos for areas such as sleeves, shoulders, geometric shapes and even funny tattoos. Like many other websites, Tattoo Ideas also provides a bit of guidance on what to consider when designing tattoos.

## 7. / r / tattoos

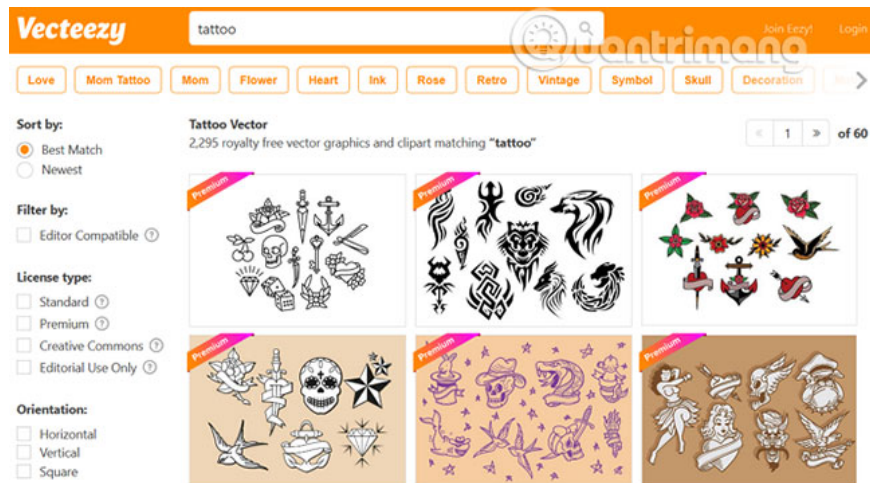

Reddit is one of the most visited websites in the world, with more than 234 million active users every month. Although some sub-websites are quite controversial, the other subreddit is one of the best online communities. / r / tattoos is one of the most active websites in tattoo lovers.

This subreddit is tightly censored to ensure high quality photos and posts. If you are an artist wishing to introduce your work, you can verify this with a middleman.

If you want to discuss everything related to tattoos visit / r / tattoo. Similarly, if you are interested in drawing ideas and tattoo designs, visit / r / TattooDesigns.

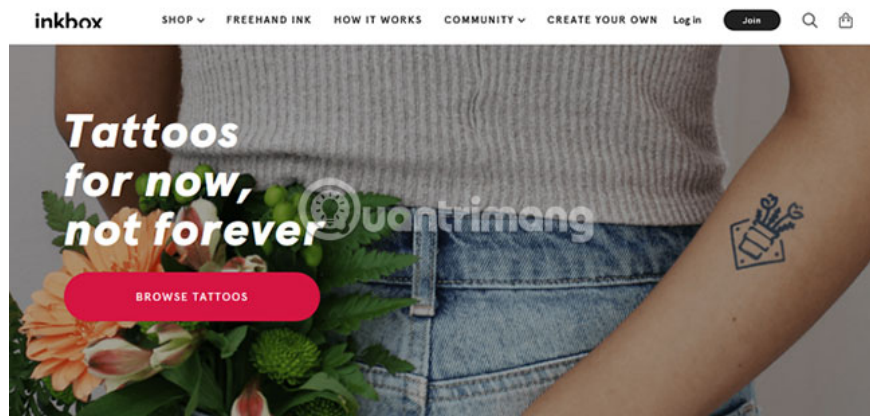

Download Reddit for Android (Free) | iOS (Free).

## 8. Vecteezy.com

Although pictures of tattoos are easy to find, high-quality digital designs are more elusive. However, Vecteezy vector graphics site has a large collection of free and high-end tattoo designs available. You can search for anything that interests you on the site. Although the keyword 'tattoo' produces more than 2000 results, you can filter images by license type. Standard licensed types can be used for free. You can also purchase premium images using credits or free downloads as part of the regular Vecteezy subscription.

## 9. Inkbox.com

You can hear horror stories about tattoos or someone extremely regretful about making a tattoo decision. You may feel scared because the tattoo is permanent. Inkbox offers a great 'lifesaver' solution: Temporary tattoos. Temporary temporary tattoo is a type of sticker that usually fades quickly or hard to eat into the skin.

Temporary tattoo of Inkbox makes ink enter the cuticle, but not as deep as a real tattoo. As the skin will gradually recreate, the Inkbox tattoo will fade. With an estimated lifespan of 8 to 18 days, they are the perfect solution for anyone worried about wanting to change their mind after tattooing.

Tattooing is fast becoming a part of modern culture. From celebrities to ordinary people, everyone expresses themselves through body tattoos. Of course, because tattoos will exist permanently on the body, it is important to take the time to choose the design that you really love.

Wish you find yourself a satisfactory tattoo!
