## True Survival – Zombie Apocalypse

Zombie Apocalypse is making one of the most loved add-ons by Minecraft players. Install True Survival to play the version of Bedrock in a world overrun with aggressive zombies.

There are more than 20 different zombies in this add-on with different guns for gamers to fight and defeat zombies.

## Morph Plus

Morph Plus is a simple Minecraft add-on that allows the player to transform into 30 different types of mobs. Everyone's character will also gain that mob's appearance and abilities after transforming.

In this add-on, Enderman can teleport, Blaze shoots fire, Snow Golem shoots snowballs and more with unique abilities and powers.

But gamers also need to be careful because many mobs will be debuffed. For example, Zombies start burning in broad daylight, Enderman takes damage from rain or being in water, etc.

## SERP Pokédrock

The Pokédrock SERP is quite similar to the Pixelmon mod for Minecraft Java Edition. This add-on has been quite popular among Bedrock players, even though only Generation 1 Pokémon are available. Install this add-on and gamers will find Pokémon scattered throughout the Overworld.

The appearance of different types of Pokémon varies depending on the location. For example, Bug-type Pokémon spawn in the forest, while aquatic-type spawn in the ocean.

## Naruto Jedy

The Naruto anime and manga series has a huge global fanbase and the Naruto Jedy add-on is for them. This add-on turns Minecraft into a Naruto game by adding skills like Sharingan, Byakugan, Mangekyo, Rinnegan, Susanoo's,.

Naruto Jedy has separate stats like HP, Chakra, Chakra Limit, Training Point and many more. In Naruto Jedy, the player can become Jinchuuriki and fight Bijus.
