

TOP best endless running game on phone

Endless runner game is a popular and popular genre on mobile phones. In these games, the player will have to control the main character to run non-stop, while avoiding the obstacles on the road, so that the travel distance is the longest.

Let's explore the list of the best endless running games on phones.

Temple Run

Temple Run is considered by many to be the origin of the endless running game genre on mobile. In Temple Run, players will control an adventurer who finds his way through an endless temple filled with traps, enemies and obstacles to overcome.

It's a simple game, but it has established a formula that makes it hard for many players to leave. This is one of the most popular endless runner games of all time on both iOS and Android, which no one is unaware of.

Subway Surfers

Subway Surfers is another hit that resonates strongly at a time when the endless runner genre is gradually saturated. In its heyday, it could be said that not a single smartphone was without this title. It has a well-developed art style, unique characters and gameplay that is fast enough to capture the attention of any mobile gamer.

One unfortunate point that Subway Surfers has is that all the characters look a bit generic. The game looks great, especially since it's optimized for mobile, but players can get tired of seeing the same faces over and over.

Zombie Tsunami

Another iconic endless runner game is Zombie Tsunami. Unlike many other zombie-themed games, when gamers have to kill zombies, in this game, everyone will be zombies sweeping everywhere in the city.

With fast, high-paced gameplay, vibrant sounds and funny images, Zombie Tsunami makes players fall in love. Support boosters bring interesting effects such as tsunamis, giant zombies with laser beams, UFOs, ninjas, . making the game even more attractive.

Sonic Dash

Sonic Dash is a 3D game about Sonic and his friends. What sets Sonic Dash apart from other endless runner games is thanks to its cutscenes, story progression, multiple characters with different effects, and even tailored boss battles.

While many game versions based on the famous Sonic series, are underdeveloped or unnoticed, Sonic Dash is a unique product, bringing a smooth and exciting feeling, worthy of a try if you love it. love endless running game.

Minion Rush

Not only children but even adults can't resist the cute and humorous appearance of the Minions in the animated series Moon Thief. Perhaps that's why most of the games that have Minion as the main character are loved by many people, and one of them is Minion Rush.

Play as three fun Minions Carl, Jerry and Dave running on a challenging track and collecting bananas – Minion's favorite food. Gamers will discover a series of locations, icons inspired by each of the original series. Despicable Me lovers should definitely not miss Minion Rush.

Super Mario Run

Super Mario Run is a Super Mario themed endless runner game, featuring elements from the original Super Mario series. Mario can get power-ups and coins, jump on enemies and run around the world in arcade style with just a few taps.

Plumber Mario will have to constantly move forward, overcome traps, jump on mushrooms or monsters to destroy them, collect gold. Players only need to touch the screen to control, Mario will move depending on the time and frequency of the touch.

Crash Bandicoot: On The Run!

Crash Bandicoot: On The Run! has a different control method compared to other games of the same genre. Instead of swiping vertically, players need to swipe left or right to move the character forward.

The game is developed by King, famous for Candy Crush game and they have successfully recreated the Crash Bandicoot experience in a fun mobile game.

Jetpack Joyride

Jetpack Joyride is a pretty classic endless runner available on both iOS and Android, but that doesn't mean it's any less fun than newer games.

This is definitely an endless runner game that most mobile game enthusiasts will love and will recommend to others. The sequel was launched in February 2021, called Jetpack Joyride 2.

Talking Tom Hero Dash Run Game

The cat Tom in My Talking Tom is probably one of the most famous game characters that anyone will know. With its success, the developer has put Talking Tom in many different games, diverse genres. One of them is Talking Tom Hero Dash Game.

In this game, gamers will control the cute cat Tom with extremely attractive high-speed chases. While on the run, people can collect support items and can collect many other familiar characters such as Angela, Hank, Ginger and Ben. If you love these cute cats, don't miss Talking Tom Hero Dash Run Game.

Sky Dancer: Free Falling

Sky Dancer: Free Falling brings a new challenge to the limit for gamers who love the endless running genre. Instead of racing on a straight line and just dodging obstacles, Sky Dancer requires players to jump, do endless acrobatics, freely fall in the air to complete the task.

Sky Dancer is suitable for people who love Skydriving (skydiving) and also for enthusiasts to experience danger, risk their lives, free fall in the air.
