Mad Father

This is a very famous horror game about the journey to find the mystery of 11-year-old Aya Drevis's father. The player plays the role of Aya, after her mother died 1 year ago and her father is a mad scientist. The story begins on 1 night when Aya suddenly hears a scream coming from her father's lab. Though very scared, Aya still left the room to find out what happened. Aya was terrified when she spotted her house, blood, corpses and monsters.

The player's task is to play the character Aya to explore the whole house, picking up the necessary items to solve the mysterious riddles about his father and family. Can Aya survive the dangerous journey to discover the secret after her mother's death or become the victim of this mysterious story. It depends on your choices and decisions throughout your play.

Cry of Fear

Cry of Fear is undoubtedly the most horrifying horror game because it is not written by the writer himself.

Cry of Fear is set in an abandoned town and contains countless horrible secrets. The player plays the role of Simon Henriksson, a 19-year-old boy who accidentally gets stuck here after a car accident. While researching this place to find his way home, he received an urgent help message from a strange phone number. The player's task is to overcome deadly pitfalls and unforeseen dangers.

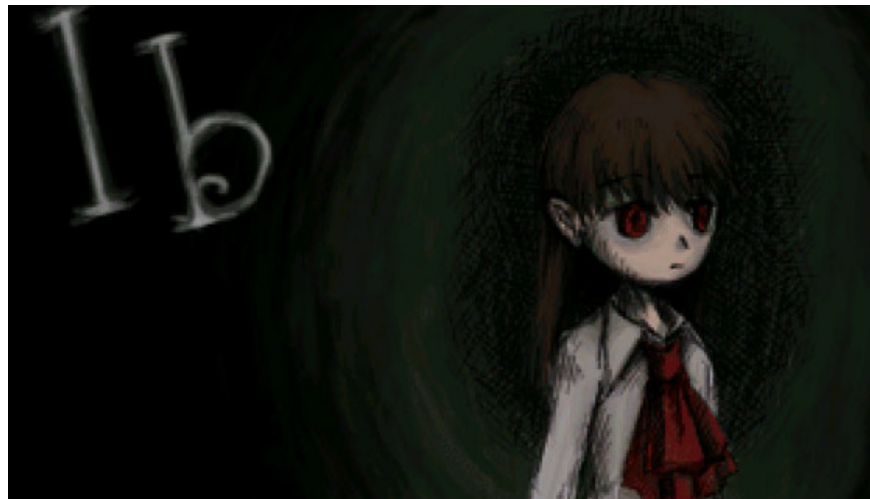

What's interesting in Cry of Fear is that players are equipped with many weapons, can use both hands with 2 different weapons when fighting. Horror sounds that appear unexpectedly during the execution increase fear for the player.
