

# Top best Poppy Playtime games on phones

Only appeared for a while, but Huggy Wuggy has become a much-talked-about icon and even has many mobile games appear Huggy Wuggy, below is a list of the best Poppy Playtime games on mobile.

Poppy Playtime is a game of the horror genre that is loved by many thrill-loving gamers. The gameplay of Poppy Playtime is also quite similar to many current PC horror games.

But the point that makes Poppy Playtime stand out is not the gameplay or the plot. It is the character Huggy Wuggy in the game, which has only been around for a while, but Huggy Wuggy has become a much talked about icon and even has many mobile games appear Huggy Wuggy, below is a list of Poppy games. Playtime on mobile best.

## Scary Five nights

[Download Scary Five nights for iOS here](#)

Five Nights Playtime, although not 100% the original game on PC, and especially Huggy Wuggy, has been replaced with a character that looks funnier but is enough to scare players with the same fear as Huggy.

The gameplay of Five Nights Playtime is also different from the original game. However, you will still use Grabpack to unlock the content in the game. Also watch in-game instructional videos to learn and escape from this demonic factory.

## Poppy Rope Game

You will have the skills of superheroes to use in the Poppy Rope Game. Huggy Wuggy in this game can jump from above, shoot ropes, punch the ground and use other powerful attack skills in the city of Gangster Crime.

Besides powerful skills, you can use the vehicles available in the city such as tanks, helicopters with weapons on that vehicle. Use what you have available to fight your opponents in the game. You can also collect money to buy energy and use your skills through the characters you kill in the game or through the quest.

## **Huggy Wuggy Survival Playtime**

[Download Huggy Wuggy Survival Playtime for Android here](#)

You will have to find a way out of Huggy Wuggy in a maze with NPCs around. They will be locked in cages and you have to come to rescue the NPCs, while you have to run away, go and loot as much gold as possible. If you evade Huggy Wuggy within 30 seconds, you will be the winner.

## Huggy Game: Playtime

You will see Huggy Wuggy in the familiar games in the movie Squid Game. Your task will be to try to survive the familiar games. Huggy Wuggy will be your game controller character.

Not only can, you will have new games besides the games in the movies. Some of them are coin tossing, knife throwing, death road, tower climbing to fight boss Huggy.

## Poppy Stickman Fighting

If you are a fan of stick people, you definitely cannot ignore this game. Your Huggy Wuggy will fight against enemies with powers or weapons typical of superheroes from Marvel or DC movies or other famous characters in the game.

As long as you don't get thrown on the ground or in the water or get hit by things around the ring, and kick your opponent under these areas, you'll win.

Upgrade your weapons along with shields with bonuses and take down your opponents in the round.

## Poppy Games: Chapter Two

[Download Poppy Games: Chapter Two for Android here](#)

Poppy Games: Chapter Two also has the same gameplay as Huggy Wuggy Survival Playtime. You will have to hide from Huggy in a maze and for the duration of the level can't let Huggy find you. At the same time, you also have to rescue your teammates NPCs. And collect as much gold as possible during that level.

Those are a few games based on the popular horror game Poppy Playtime on PC. Although not like the original game, it at least shows something similar to the original PC game.
