The fact that more people have to stay at home due to the epidemic makes games that can connect friends and have fun together more popular than ever. For example, Play Together – a multiplayer game, is suddenly noticed and loved for its cute graphics and high interactivity for everyone.

With thousands of quality games to choose from, explore our list of multiplayer games with cute graphics like Play Together to have a good time with your friends.

Pocket Pioneers

Similar to Play Together, but the activities in Pocket Pioneers are a little different, such as farming, mining,. Crafting and upgrading tools, recipes, crafting new equipment to Produce more resources and reap coin rewards.

The game allows interaction with the surrounding residents to win their hearts by helping them complete quests.

In-game events will take place seasonally, including player ranking competitions. Everyone will always have interesting activities when participating in the game.

PK XD – Play with your friends

PX XD is also a bit modern like Play Together, but with a setting in the near future. Surely Play Together players will have a familiar feeling when participating in the city of PK XD.

Players will still have some tasks to solve to earn money in the game such as delivering pizza, harvesting fruit, going to school, etc. Shopping, decorating the house with many themed items is also an activity. interesting move.

The activities in PK XD are quite similar to Play Together in both missions and mini-games. The graphics in both games also have many similarities. People can make friends with other players and accompany each other in the game.

Animal Crossing: Pocket Camp

Animal Crossing is a very famous game that everyone must have heard of. In the game, players still participate in many activities such as cafes, music festivals, amusement parks, camping, . similar to Play Together

People need to collect themed items, participate in in-game events. Decorate your home, dress up in fashionable outfits and raise cute pets. Complete pet requests and increase people's affection for them. Players can invite friends to the campsite built by themselves to visit and have fun.

Crash Bandicoot On The Run

One of the most anticipated games of 2021 is the 90s return of the world's most infamous Marsupial in an exclusive.

Crash Bandicoot On The Run is an endless runner game (much like Temple Run, Subway Surfers,.) that brings back many of the iconic locations and characters from the Crash Bandicoot series. The game has more than 50 bosses and 12 different locations for players to enjoy and explore. The game offers a lot of running, jumping and sliding as players try to overcome difficult obstacles to get rewards.

Among Us

There was a time when Among Us was so popular, we could see everyone around us playing this game. Everything has its reason. Among Us is attractive thanks to a familiar gameplay that can be seen in boardgames like Werewolf, which is to find an impostor among the crew members on a spaceship. The crew members run around the ship, completing a number of tasks while trying to avoid being voted off the ship or being killed by impostors.

Among Us's attraction largely comes from the super cute design, and the ability to interact between players, making it worthy of this list.

Mario Kart Tour

Mario Kart Tour is inherently one of the funniest games to play with friends. However, it is a racing game only available on Nintendo, and only those who own this machine can play. Therefore, expanding to mobile devices makes this game much more accessible.

To play Mario Kart Tour with friends, everyone just needs to be close to each other and enable geolocation on their phones. That way, the game can see you're close together and allows you to race against each other.

Mario Kart Tour is both fun, making friends, and competitive. It is one of the best multiplayer mobile games for both Android and iPhone, as it has been expanded on both platforms.

Overcooked! 2

Overcooked! 2 follows the success of the team-cooking super product Overcooked. Season 2 of the game ties in with the fun recipe of frantic co-op gameplay, featuring chefs working together while racing against the clock to prepare delicious dishes.

At the same time, the additions and improvements to the gameplay give this sequel additional appeal, attracting new Overcooked players. A host of new chefs, more dynamic stages, and more elaborate recipes make for a fun, friendly party walk.

Meanwhile, the game's addictive online mode adds even more value, inspiring virtual cooking sessions with inspiring friends.

It Takes Two

If everyone wants an exhilarating adventure that can be teamed up with friends to work together on platforming and puzzle solving, then It Takes Two is a great game to try.

It Takes Two revolves around Cody and May, a couple on the verge of divorce. After their daughter expresses her wish that a love doctor will help save this marriage, the two are turned into dolls and tasked with moving possessions in these miniature forms. Along the way, there is a lot of fun dialogue with some objects in the house.

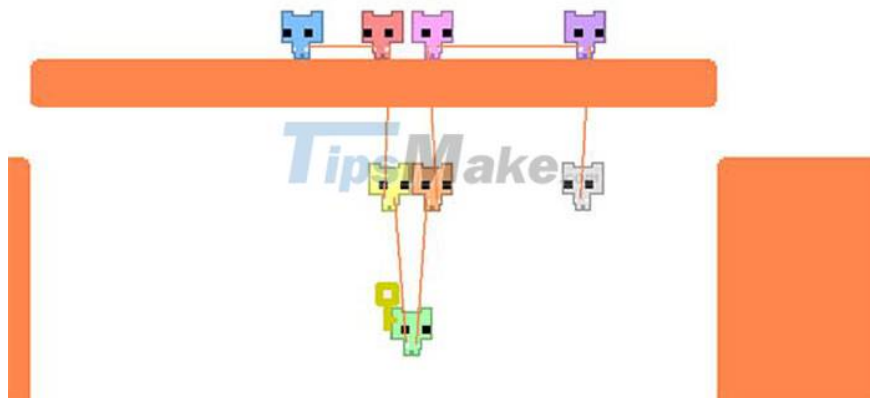

Stick Fight

Stick Fight is a fighting game that pits up to 4 stick players against each other in a physics-based combat system. With over 100 different levels, each fight takes place on a random stage with specific weapons dropping for players to pick up.

Each battle is quite short, so a new level will be created every time there is only one stickman left. There is also a level editor where players can create their own battlefield and share it with the gaming community.

Pico Park

Pico Park is an online puzzle action game, with up to 8 players in 48 different levels. The ultimate goal for each level is to get all the keys and unlock the goal at the end. If players want to knock each other out, Pico Park also has a Battle Mode, which uses some of the same mechanics.

Totally Accurate Battlegrounds

Totally Accurate Battlegrounds is a survival game with extremely funny, even somewhat silly and ridiculous mechanics.

Mixing physics-based arcade and survival games, Total Accurate Battlegrounds players need to last. It can be said that this is a humorous parody version of PlayerUnknown's Battlegrounds.

Gang Beasts

Gang Beasts is the perfect game for those who like competitive games with many other gamers, with goofy and silly elements. Although not a survival game, this game uses furry creatures to fight each other in a series of knockout battles.

The game adds to the ridiculous by setting up battles in ridiculous places like on top of trucks or ferris wheel. Gamers can choose to play with friends or individuals at random. If players are struggling with Play Together's mini-games, Gang Beasts is the perfect place to blow off steam in a fun way.
