

## Top games most similar to Coin Master game

These are games like Coin Master, following Coin Master, there have been many games following this genre and are also very successful.

Coin Master is causing a stir just like when it was first launched a few years ago. Everyone will receive Spin every day and spin to get lightning hammers, stealing turns, spins, money to complete their village and steal and destroy other people's villages.

Coin Master is a game inspired by Pirates Kings, released in 2014 and created a fever at that time in the mobile gaming industry. Following Coin Master, there have been many games that follow this genre and are also very successful.

However, they are also changed by the game publisher to have their own unique features to attract players. If you are still in the "addiction" of dialing and destroying and stealing other people's money like Coin Master, you can take a look at a few names below.

### **Dice Dreams**

Dice Dreams is a mobile game developed by SuperPlay Ltd. The game was first released in 2019 and has quickly become popular in many countries, including Vietnam.

In Dice Dreams, players will have to throw dice to move, attack other towns and collect gold coins similar to Coin Master. You can also make friends with other players to participate in in-game activities together

Dice Dreams has simple but attractive gameplay, suitable for all ages. The game also has beautiful graphics and fun sounds, giving players an enjoyable experience.

How to play

The gameplay of Dice Dreams is similar to Coin Master and games with similar gameplay. You will roll the dice to move the pig on the board, collect coins, shields and attack other towns.

Every time the player throws the dice, the player will move a certain number of squares on the board. If the player moves to a box with a coin, they collect that coin. If a player moves to a square containing another player's town, they can attack that town to steal coins.

Players can upgrade their towns using coins. As the town is upgraded, players will receive more dice and coins for collecting artillery and attacking other towns.

## Features of Dice Dreams

Dice Dreams has several outstanding features, including:

1. **Simple but attractive gameplay:** The gameplay of Dice Dreams is quite simple, but there are still certain challenges. Players need to consider carefully before moving, to avoid being attacked or falling into dangerous boxes.
2. **Beautiful 3D graphics and fun sounds:** Dice Dreams is designed with beautiful, player-friendly 3D graphics and fun sounds. The characters in the game are designed in a cute, funny and adorable style, giving players a feeling of relaxation and entertainment.
3. **Many attractive game modes:** Dice Dreams has many attractive game modes, suitable for every player's preferences.
4. **Play with friends:** You can make friends with your friends through Facebook and send friend requests to other players around the world and participate in game activities together.

## General

Dice Dreams is an attractive entertaining game, suitable for people who love board games and mobile games. The game has simple but attractive gameplay, beautiful graphics and fun sounds. If you are looking for a game to entertain and relax, Dice Dreams is a choice worth considering.

## Piggy Go

Piggy Go was released in 2022, the game reminds those who play Coin Master a familiar feeling. You will spin prizes and receive additional money and other rewards to influence other players.

In Piggy Go, players will transform into a piglet and participate in a race with other players around the world. You will have to roll the dice to move, attack other towns and collect coins, completing your town. Players can also make friends with other players to participate in game activities together.

TipsMake

The game has simple gameplay but is quite time-killing, suitable for all ages. The game possesses beautiful cute 3D graphics and fun sounds, giving players many interesting experiences.

Style play

You will still roll the dice to get money and many other things in the game, your pig character will move up the boxes along the way. Whichever box you jump into, you will make signs according to that box.

If you move to the box with coins, you will collect that coin. If you move to a cell with another player's town, you will attack that town to steal coins.

You can upgrade your town using coins. As your town is upgraded, you will receive more coins for coin collecting and dice rolls.

## **Feature**

Piggy Go has a number of outstanding features, including:

1. **Simple but attractive gameplay:** Piggy Go is very simple and can be played without instructions, but there are still certain challenges. All moves when rolling the dice are random.
2. **Simple but beautiful graphics:** The game is designed with beautiful 3D graphics and fun sounds. The characters in the game are designed to be funny and adorable, giving players a feeling of relaxation and entertainment.
3. **Many attractive game modes:** Piggy Go also has many attractive game modes, you can play at any time and suit every player's preferences.
4. **Play with friends:** Piggy Go can be played online with friends. Players can make friends with friends via Facebook and other players around the world and steal and attack each other's houses in GME.
