There are many attractive Offline games on your phone to help you entertain without the need for the Internet. In this article, TipsMake brings you the top best offline games on your phone.

1. Cover Fire – The best Offline shooting game

The shooting game Cover Fire is considered one of the best offline shooting games on the mobile platform. Cover Fire offers a good shooting experience with beautiful scenes, a huge arsenal of weapons and good graphics quality. In the game Cover Fire, there are many different types of gameplay to help you satisfy your passion for shooting on your phone. The game Cover Fire develops many types of guns and a variety of weapons to help you satisfy your passion for action shooting games. The shooting game Cover Fire deserves to be a game you should experience every time you lose your life.

2. Asphalt – Legendary Offline racing game

Racing enthusiasts are certainly no strangers to the world-famous Asphalt game. The Asphalt game series is built somewhat similar to the famous Fast And Furious movie around the world. The highlight of the game Asphalt is the huge data warehouse, the cars in the game are designed to be 90% similar to the real-life version, giving players the most realistic feeling. Asphalt game has many levels, it can be said that playing forever will never end and will never get boring. Those who have a strong passion for fast super sports cars should definitely try Asphalt.

3. Stardew Valley – Legendary game on Nintendo

Stardew Valley is considered a 'treasure' of the Nintendo family and has now been developed on mobile devices instead of just for Nintendo game consoles. Stardew Valley has an open storyline and the storyline will change

based on the game player's interactions. Thus, the game Stardew Valley can be played over and over again to find new things and discover more about the famous country city. The game Stardew Valley is a farm game, exploring and relaxing experience. Playing Stardew Valley game you will not need too many skills, it will help you relax your mind very well and have fun with extremely interesting tasks. Stardew Valley game played without internet on the phone is currently played by many people. Choose to review your childhood.

4. Shadow of Death – RPG game without network

Shadow of Death belongs to the strong action RPG game genre and received many positive reviews on social networks. The game Shadow of Death revolves around the plot of exploring and fighting with different forces to find victory. The highlight of Shadow of Death is the large map, beautiful graphics, weapon effects, good animation, and high quality, giving players endless exploration. The weapons in Shadow of Death are designed to be diverse, sure to satisfy everyone's passion for fighting, especially men with strong personalities.

5. Shadow Fight 3 – Legendary RPG game that is never boring to play

Shadow Fight took the mobile game market by storm in 2015 and has now been developed up to version 3 with much better quality graphics, context, and animation. The game Shadow Fight 3 belongs to the RPG genre with

a 1-1 competition genre and the types of weapons in the game can be called 'immense'. To fully explore the game Shadow Fight 3, you will definitely have to spend a lot of time plowing, earning gold, unlocking new weapons and fighting stronger, crueler bosses. The game Shadow Fight 3 deserves to be the best offline RPG game on phones, currently being released for free on both IOS and Android operating systems.

6. Traffic Rider – Motorcycle racing game

Traffic Rider is the best offline street motorbike racing game on Android and IOS phones. The game mainly revolves around daily street races with many different vehicles and your task is to skillfully bring the car to the safest destination. If other games race to compete for first and second place, Traffic Rider races to challenge the player's ingenuity. Game Traffic Rider has many different large displacement motorbikes, satisfying the love of car enthusiasts.

7. Two Dots – Extremely good Offline intellectual game

Challenging your intelligence with the game Two Dots without the internet is more interesting than ever. It seems like this is a very simple game, but there will definitely be times when you have to scratch your head to find a way to pass the level. The game Two Dots has simple gameplay, you just need to connect dots of the same color to pass the level, but it certainly won't be as simple as the introduction. The game Two Dots is guaranteed

to make you use all your brainpower to pass the level. The Two Dots game is both fun and difficult to test everyone's patience.

8. Plants vs Zombies – Childhood home gamer

Plants vs Zombies is the best 'childhood' tower defense game on the phone platform with extremely brain-hacking levels. The game Plants vs Zombies is considered the most tactically diverse tower defense game with a large number of weapons, large enemies and diversity in battle layout. If you have ever played the game Plants vs Zombies on the computer, you should try Plants vs Zombies on the phone platform with a lot of uniqueness, especially in strategy. The game Plants vs Zombies is released for free on both IOS and Android platforms.

9. Survivor!.io – 3rd person shooting game

Survivor!.io is considered the best simple game on the phone platform with extremely unique gameplay, you will play the role of a guy pretending to save the earth with a group of giant monsters. Instead of having to shoot and run, there is now an automatic shooting feature and you just need to run. But there will definitely be times when you don't even want to run. The game Survivor!.io is suitable for people who like simple, light, relaxing entertainment and do not need to use too much brain matter when playing games.

10. Subway Surfers – Offline chasing game

Subway Surfers is the escape journey of a boy who likes to draw street paintings on train cars from the fat security guard. The game is extremely simple, you just need to change lanes, jump and crouch, but the longer you run, the faster you will speed up and the difficulty gradually increases. Surely you will have to practice quick hands and quick eyes to escape from the fat guard. Subway Surfers is a great relaxing and entertaining game on the phone, but sometimes it also makes a lot of people angry because of it.

11. LIMBO – A great dark puzzle game on the phone

LIMBO takes you into a dark world with only black and white colors accompanied by giant scary insect monsters. In the game LIMBO, you will take on the role of the boy LIMBO and his journey to find novelty in life and have to solve puzzles and obstacles in the game. LIMBO mainly brings you gloom, especially among the main black tone. LIMBO puzzle game is ranked among the best offline puzzle games that do not require the Internet.

12. Hill Climb Racing 2 – Racing game without internet connection

Hill Climb Racing 2 brings relaxation through the unique gameplay and game play that the manufacturer developed. The game has simple gameplay, suitable for many people, especially those who want to find an entertaining game that is not too stressful. Game Hill Climb Racing 2 does not require an internet connection and can be played anytime, anywhere on IOS and Android phones. The game Hill Climb Racing 2 lets you transform into a guy who falls asleep racing with extremely funny scenes.

13. Crossy Road – Inhibition game

Crossy Road is probably not difficult when you just need to get your chicken across the road quickly. However, there are many vehicles on the road and getting run over is never a good thing. The game Crossy Road is considered one of the best relaxing games on the phone that does not require an internet connection. Playing Crossy Road you can spend many hours without worrying about getting bored.

14. Bloons TD 6 – Offline goalkeeper game

Bloons TD 6 is an impressive goalkeeper game with extremely unique and interesting gameplay. Like other tower defense games, Bloons TD 6 brings a new breeze with new and unique characters. If you like strategy games that don't require a network, Bloons TD 6 is the perfect game on your phone.

15. Angry Birds – Legendary strategy game

Angry Birds is certainly no stranger to those who love this legendary 'bird shooting' game. Angry Birds currently has many different versions, but the original version is still the best version. Angry Birds has a lot of levels for you to play and it seems impossible to clear them all so you can definitely play all day. The Angry Birds game is unique in its gameplay with many new bird species for creative playing style.
