

Top hot filters on Instagram in 2023

As someone who regularly uses Instagram, have you updated all the hot hit filters this year? Let's explore now.

Instagram is known as a major global social networking platform, where users can share photos and videos about their lives and interests. In particular, Instagram also provides users with a lot of beautiful photo effects, making the content you share more sparkling. With so many filter options that can make you overwhelmed, not knowing which effect to choose, here are some cool suggestions that you can experiment with.

Hot filters on Instagram

Makeup filters

Makeup filters are one of the types of effects that many girls choose to use the most. These effects have the effect of smoothing the skin, adding lipstick, enhancing eyelids or eye color. even contouring the user's face.

Below are some filters that you can refer to and use

1. Softlens Gray by mrnistfatimah
2. tone tone by ngocht2509
3. Clear V.1+ by benjamin30323
4. TX302 V.1 by benjamin30323

5. lazycute by dingmintt
6. Soft of gezsang
7. Glow up by nineningxx
8. Mrs. Simple by vievyvito

Filter icons, icons

In addition to makeup filters, many people also choose icons when sharing their images. Usually effects with symbols and icons are often cute in style, so they are popular with young people.

You can refer to filters such as:

1. Popo & tuan zi by hanzarr
2. Nosebleed by lazy777
3. Feenuniversum by hanzarr
4. im cutie by dari wyhwaa
5. Photo booth by oleh whxyu
6. Sleeping Bear by bungachandini
7. lazy panda by bungachandini
8. octopus of bungachandini

Vintage style filters

Vintage is a style that is increasingly loved by young people. Therefore, choosing these style filters for stylish photography or filming will be a good choice.

Try applying the vintage effects below to your upcoming Instagram content.

1. ggamael's polaroid date
2. danielameroc's kodak film
3. 9+ Mini Film Frame by zazazaaaaaaa.exe
4. old film by whxyu
5. Super 8mm by h_ekal
6. VCR by jepharaujo
7. analog-film by herusugiarta
8. 8mm by janmahavan
9. Mars1989 by ya.molli
