

# Top hottest mobile game in early 2019

These are the titles that are highly appreciated with beautiful graphics, creativity in combining gameplay and recreating old PC games.

In March, there were many mobile games launched with different genres for gamers to experience. There are also many games that are transferred from PC version to Mobile. You can refer to the list below.

1. Top mobile survival shooter and download link
2. 5 caro chess games play on the best phones
3. Top interesting Bingo game for Android users

## Top hottest mobile games in March last

### Cyber ??Hunter

1. Cyber ??Hunter for iOS
2. Cyber ??Hunter for Android

Like the Battle Royale games like PUBG Mobile, Rules Of Survival, Free Fire . Cyber ??Hunter will allow players to participate in the battle of fiery survival with a strategic context of modern game.

The game will combine various elements such as survival action, shooting, fast-paced construction, tactical discovery and camouflage. Cyber ??Hunter has a game context in the near future, so the game atmosphere and pace are considered more modern and more open, gamers can customize characters, explore and interact more diverse. with map play.

## Boom Mobile (BnB M)

1. Boom Mobile for iOS
2. Boom Mobile for Android

Going back to the phone version, Boom Mobile or BnB M has helped many gamers find their childhood when the game fully recreates the elements of Boom Online version on the computer.

A series of characters from Boom Online PC, a series of familiar items have been posted on Boom Mobile for players to experience. The game has a number of 1 million registered players right from the start of the project, taking many records on the official release date.

## Auto Chess Mobile

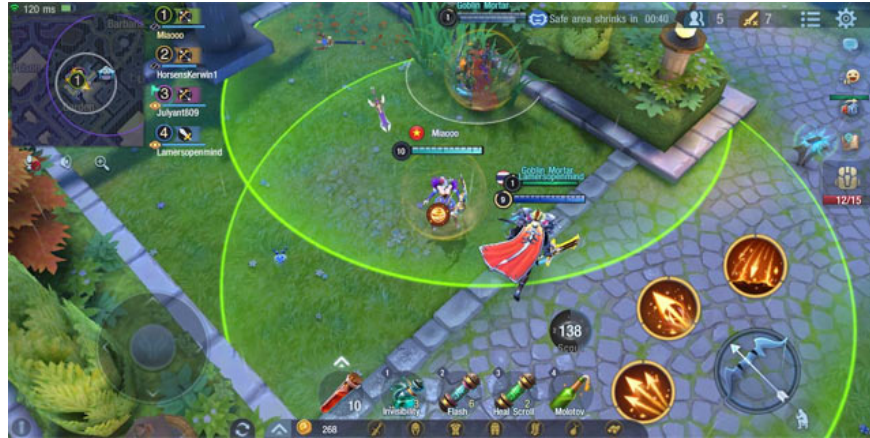

Auto Chess Mobile is also a variant of the game from PC to mobile game, which is Dota Auto Chess. Just like the version of Dota Auto Chess on PC, Auto Chess will be outside the Dota 2 platform.

However, the game will retain the same game mechanics as Dota Auto Chess PC, players can buy chess, re-roll, generate income according to the winning series, track the opponent before starting the game . .

When connecting a Steam account with a new account of Auto Chess Mobile, players will have the opportunity to receive valuable rewards. Auto Chess Mobile is currently only supported on Android and allows global gamers to play together.

## Survival Heroes

1. Survival Heroes for iOS
2. Survival Heroes for Android

Survival Heroes is an interesting game when it combines the two most popular game genres today. It is MOBA and Battle Royale, players can participate in a match in the form of Battle Royale and battle MOBA game style.

You will be parachuted down a map with other players, next, your job is to loot and become the last survivor. Items and weapons, skills in the game will be identical in MOBA games such as Mobile Union, League of Legends.

The gameplay will be more about Battle Royale, still choosing the Duo or Squad team, still running, loot, teammates being able to save. How to control MOBA-style characters with Battle's play style Royale will surely give gamers a lot of interesting feeling when participating in Survival Heroes.

## Tan Thien Long Mobile

1. Tan Thien Long Mobile for Windows
2. Tan Thien Long Mobile for iOS
3. Tan Thien Long Mobile for Android

Tan Thien Long Mobile is also a game transferred from Thien Long Bat Bo PC version to mobile version. Especially when Tan Thien Long Mobile has a lot of similarities with Thien Long Bat Bo such as sect, skill, item, character, mount, pet, marriage, .

The familiar factions include Cai Bang, Nga Mi, Thien Long, Thien Son and Tieu Dao with impressive 3D graphics. In addition to familiar features from Thien Long Bat Bo in Tan Thien Long Mobile, you also have the opportunity to participate in the copy system with the names full of memories such as Yen Tu O, Tran Long Ky Cuoi, Lao Tam Hoan , Four Great Pages .

## Thuc Son Ky Hiep

1. Thuc Son Ky Hiep Mobile for iOS
2. Thuc Son Ky Hiep Mobile for Android

Shu Son Ky Hiep is a swordplay role-playing game released by Soha game. The game has no different gameplay than the swordplay Mobile games but has made a strong impression on gamers by the beautiful graphics but still

very smooth on low-profile devices.

Colors in the game are quite lively and outstanding, equipment systems, mounts or pets if compared to games of the same genre, not less competitive. You may not know that there was a version of Th?c S?n K? Hi?p on the PC that was released by the same manufacturer.

It is a few outstanding games that were released in the beginning of the year, most of them are familiar game titles like Battle Royale or MOBA genre, playing swordplay. Although the old way of playing but with the creativity of publishers, these titles still make a certain impression with many mobile gamers.
