

# TOP most attractive zombie theme game on PC

Zombies or zombies have slowly become an iconic part of popular culture, creeping into aspects of human entertainment such as video games and movies over the years.

Although a bit saturated, the game about zombies is still warmly received by the gaming community. In this article, let's explore the TOP of the most outstanding and attractive zombie-themed games for PC.

## House Of The Dead: Remake

For many people, House of The Dead is a classic and hit game that has taken its place in popularity with its signature soundtrack and constant screams. Players can now relive the original game with House Of The Dead: Remake.

The remake upgrades the original game and takes on a new look. Therefore, gamers can destroy familiar bosses with a multitude of fascinating details. The game allows for local multiplayer, available on consoles, including Switch and a PC port.

There are also some new weapons to use such as crossbows, assault rifles and grenade launchers. In addition, the release of House Of The Dead 2 is also being considered and planned. So players will have a lot of interesting zombie content to enjoy.

## Survive The Hill

Survival The Hill is an asymmetrical multiplayer game that promises intense 1-on-3 or 2-on-8 matches. Think Dead By Daylight or Friday The 13th, in which one team controls humans trying to escape and the other team monsters, is aided by hordes of undead and continuously hunts down those trying to survive.

The game offers a unique approach to the visuals, however the gamer cannot play the single game against the AI, but needs another player there.

## Arizona Sunshine

Arizona Sunshine is an exciting and potential zombie VR game. Despite a few difficult aspects, it can provide quite an exciting and challenging adventure. This is especially true at higher difficulty settings, as gamers try to escape infected planes and forgotten Arizona towns.

With up to 3 player co-op, another game mode, and a variety of collectible masks to wear for its characters, Arizona Sunshine offers a wealth of compelling content. In addition, there are many guns and equipment that can be used to kill the undead.

## Dying Light 2

Dying Light 2 continues the success of its predecessor, with parkour through the city of Harran being invaded by zombies. Besides that, it is to bring the city back to life and settle the power struggle between the surviving factions in this ruined, ruined land.

Offering a significantly larger map than the original, Dying Light 2 has some absolutely huge areas to explore. There are towering skyscrapers to climb, parkour and zombie challenges to tackle,.

The combat system is still a bit clunky and there are some pacing issues in the story, but the variety of parkour and zombies, especially at night, is a huge improvement over the original.
