

Top of the good old offline games

Top of the good old offline games. Perhaps our childhood is not only associated with folk games such as shooting marbles, flying kites, taking pictures ... but video games are also one of the unforgettable memories for the younger generation. 8x, 9x and later.

Perhaps our childhood is not only associated with folk games such as shooting marbles, flying kites, taking pictures . but video games are also one of the unforgettable memories for the younger generation. 8x, 9x and later.

1. Beach Head 2000

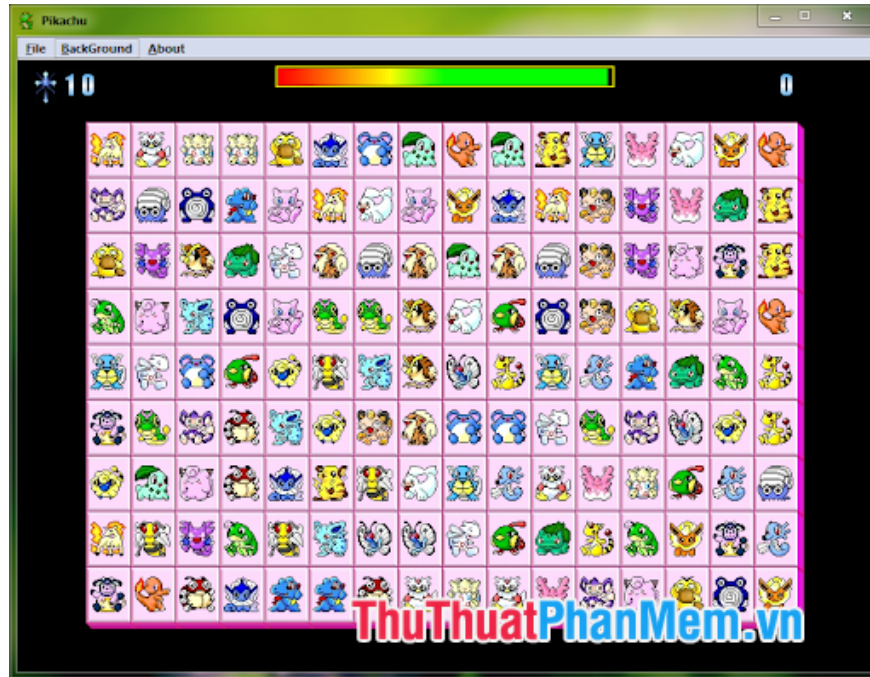

Beach Head 2000 is a first-person shooter (FPS) game with a tower defense style of play, so players do not take too much time to get used to the game. Based on the background of the famous Pearl Harbor battle, the player is assigned to a security post with heavy guns and must protect the base, destroy any enemy so they do not fall into the base.

2. Roadrash

Road Rash is a quite strange and funny motorcycle racing game. In conventional racing games, we can only overcome the opponent by taking advantage of the corners or the acceleration of the vehicle, **Road Rash** will use "tricks" such as punching, kicking, or use weapons such as batons to defeat opponents.

3. Pikachu Kawai

The legendary pikachu game is here! Pikachu Kawai is a very interesting mini game and this game can train us with a number of abilities such as comprehension, sharp eyes, and quick hands. The game takes the image of cute animals in the Pokemon world and players only need to find two similar animals to pair up. However, this game is quite time consuming and can make your mind reel when playing the game too much.

4. Plant vs Zombie

Plant vs Zombie is a very funny indie game and one of the most successful gamers. In the game, you have to fight the undead and prevent them from entering the house. To fight the hideous zombies, we have to use heavy weapons like shot guns, minigun or bazoka, but with **Plant vs Zombie** , it's very cute plants such as beans, potatoes, cabbage . is the main character with the task of repelling the zombie attack.

5. Counter Strike 1.1

For young people in the age of 8x and 9x, going to the net and together soliciting solos in hot fights in "hybridization" is probably the unforgettable memories. **Counter Strike** is an expansion of the horror game **Half - Life** with quite addictive gameplay and high teamwork. The game is divided into two teams, the Counter-terrorist team and the terrorist team (Terrorist) with the goal of working with teammates to destroy the entire enemy or doing special missions such as rescuing children. believe, defuse bombs or protect VIP characters.

6. Age Of Empire: The Rise of Rome

Besides **Counter Strike** , we also have a very popular game in computer game shops in the early 21st century that is "empire" or **Age of Empires: The Rise of Rome** . This strategy game requires players to have a reasonable and balanced calculation between natural resources and people, in collaboration with allies in historical battles.

7. Samurai Shodown 2

When you go to a PC game shop and listen to gamers clicking on the keyboard "fire" or sometimes the two of you sit intently at the screen, surely they are immersed in the duel battle in **Samurai Shodown 2** . In Samurai Shodown 2, players can choose characters with the "attorneys" extremely unique and interesting.

8. Grand Theft Auto: Vice City

Vietnamese gamers placed with the name "street robbery", **Grand Theft Auto: Vice City** is an attractive and addictive open world game. In the vast world of **GTA: Vice City**, players can unleash explore every corner of the game. Go to beautiful and dreamy places, do whatever you like like looting, driving or being honest with jobs like robbing, driving a taxi, being a firefighter or an ambulance worker. .

9. Diablo 2

Before knowing MU Online, Vo Lam Truyen Ky, Thien Long Bat Bo . then many gamers have experienced the moments of fighting bosses, plowing extremely fierce levels in **Diablo** . Game **Diablo 2** is a continuation of part 1 with many improvements in graphics, adding new character classes, adding many different expansion packs that part 1 does not have. In the game **Diablo 2** , players choose a character class with its own characteristics and skill set and then, we have to start the journey to many dangerous places in the game and conquer difficult bosses. Mostly, bring experience points, skill points to upgrade the index for the main character and a lot of "terrible" equipment to increase the power of the character.

10. Virtua Cop 2

Virtua Cop 2 or practicing as a police officer will take you as a police officer and take out all dangerous bandits. However, we not only shoot and shoot but also have to distinguish between robbers, hostages and civilians because you will be deducted for your life if you defeat the hostages and civilians by mistake. With simple gameplay, interesting and especially you can play with friends on the same screen so this is an interesting entertainment game with friends on weekends.
