### Free Fire x One Punch Man

*This Gloo Wall Skin features a picture of Saitama - the main character from the One Punch Man manga*

This Gloo Wall skin was released as part of the Free Fire x One Punch Man event earlier this year, which was only available for a week. It features Saitama, the main character of the popular manga One Punch Man, who has the special ability to kill his enemies with a single attack. The design of this Gloo Wall features Saitama throwing a fist.

This is one of the few times that Free Fire has collaborated with an anime (Attack on Titan is the other) and this skin is very unlikely to return. Players who own this Gloo Wall skin will surely stand out in every match.

## Free Fire x Street Fighter

*Free Fire x One Punch Man is a cooperative event loved by many gamers*

The recent collaboration with the famous fighting game Street Fighter is extremely loved by gamers. This was the first time Free Fire collaborated with another series of fighting video games at the time. This partnership event added two new Gloo Wall skins based on popular Street Fighter characters Ryu and Chun-Li.

Both skins show the character using their signature attack, with a Street Fighter emblem on one side of the Gloo Wall. Similar to the One Punch Man skin, this collaboration event makes Gloo Wall Ryu and Chun-Li very rare.

## Gold Vault

*Gloo Wall Gold Vault is a skin that looks like a bank vault door*

The Gold Vault is a Gloo Wall that was released recently as part of a partnership with Money Heist. It was added to the Reload Target Down event, with conditions that require players to grind points to unlock. This skin looks quite unique, with its surface looking like a bank vault door. Since the hit Netflix series Money Heist has

completed its final season, it is possible that the Gold Vault skin will not return in Free Fire anymore.

## Ancient Order

*Ancient Order is a reward for players who pre-order Elite Pass Season 24*

Pre-ordering the Elite Pass is something that not many Free Fire players do, and when Garena locked a skin as a reward for gamers who pre-ordered, that skin became super rare. The Ancient Order Gloo Wall is one of them as it is a bonus for pre-ordering the Elite Pass Season 24.

This Gloo Wall theme is quite artistic, with a warrior wielding two swords surrounded by a red aura.

## Plan Bermuda

*Gloo Wall Plan Bermuda features the iconic masks of Money Heist*

This skin was released in Free Fire a while ago, as part of a partnership event with Money Heist last year. Since it didn't return this year, it's unlikely players will be able to get this skin in the future. On the surface, it was as red as blood and covered with the infamous masks used in the heist.

Since the player needs to obtain this Plan Bermuda skin through an item store purchase, this Gloo Wall skin is quite rare.
