Toshiba Satellite L640-1007U laptop duo is priced at VND 11,946,000 and L655-1002U is priced at VND 12,218,000.

>>> Dell Inspiron N4010 - Stylish laptop, performance

Toshiba Satellite L640 is a 16 inch 9-inch HD widescreen laptop model, and is equipped with Toshiba's exclusive **Clear SuperView** technology, providing detailed images and lively. Latest DD RAM3 memory with a large hard drive storage space is the highlight of this product line.

Toshiba Satellite L640 / L655 uses Intel Core i3 processor.

The product has a polite black anti-fingerprint design against fingerprints and a sturdy frame made of alloy. The machine only weighs 2.1 kg but the frame is quite thick and firm, can withstand good vibration, even normal bumps, and good radiator. This device is priced at VND 11,946,000.

In the same way , **the Tohiba Satellite L655** is much bigger than the 15.6-inch HD LED backlight. Comes with the big screen is a large keyboard with a full numeric keypad, suitable for accountants and sales staff. The keys are large, easy to manipulate and have very good "bouncing" bounce - gentle but enough feel, suitable for both pressing vertical or tilting keys.

Toshiba Satellite L640-1007U.

Although large in size, but the volume of the device is only limited to 2.4kg including full 6 cell battery. Tests show that, under normal operating conditions, using office programs and continuous connectivity through wireless communications, the battery of the device is capable of supplying power for more than 3 hours.

Toshiba Satellite L655-1002U.

Toshiba Satellite L655-1002U uses Intel core i3 microprocessor chip at 2.26GHz, which is sufficient for the necessary tasks. Testing speed games shows that the machine responds well, even animation in 3D games is also well performed. Built-in **DVD SuperMulti** optical drive with high-quality screen displays good HD movies. The loudspeaker for stereo sound is clear, perhaps due in part to the large size of the device, which provides enough space for two speakers at the required distance. In addition, it also has a face detection function via webcam. Products cost 12,218,000 VND.
