

Toshiba Satellite M300 is red

Aiming at younger customers, Toshiba launched the 14.1-inch Satellite M300 Romantic Red laptop market.

Aiming at younger customers, Toshiba launched the 14.1-inch Satellite M300 Romantic Red laptop market.

The laptop has the latest Intel Core 2 Duo processor, 2GB DDRAM, 250GB hard drive, 9-in-1 card reader, webcam with human face recognition and Harmon Kardon speakers. The product is designed with a red 'shirt' that comes with a mysterious black keyboard.

Toshiba Satellite M300 is sold on the Korean market for \$ 1,200.
