Starting price for Satellite L640 / L645 line is from VND 13,530,000, Satellite L650 / L655 is VND 12,559,000. Satellite L630 / L635 has just returned to Vietnam in June, costing about VND 13,000,000. Price does not include VAT.

### ***Detailed configuration of models of L series.***

#### Satellite L650 / L655

- Intel Core i5 processor or Intel Core i3
- Microsoft Windows 7 Home Premium operating system
- RAM: up to 8GB DDR3 (1066MHz)
- Optical drive DVD SuperMulti Drive
- Standard size 15.6-inch screen Wide HD LED backlight with Clear SuperView technology
- Intel HD graphics graphics card or ATI Mobility Radeon HD 5145 with 512MB of VRAM memory (depending on the model).
- 2 USB 2.0 ports, 1 eSATA / USB combo port, memory card reader, HDMI (depending on each model), RGB, Webcam with Toshiba SmartFace Face Recognition software
- Multi-touch TouchPad.
- WLAN (802.11b / g / n), Bluetooth V2.1 + EDR
- Available from May.

#### Satellite L640 / L645

1. Intel Core i5 processor or Intel Core i3
2. Microsoft Windows 7 Home Premium operating system
3. RAM up to 8GB DDR3 (1066MHz)
4. Optical drive DVD SuperMulti Drive
5. Screen size 14 inch standard Wide HD LED backlight with Clear SuperView technology
6. Hard drive up to 500GB
7. Intel HD graphics graphics card or ATI Mobility Radeon HD 5145 with 512MB of VRAM memory (depending on the model).
8. 2 USB 2.0 ports, 1 eSATA / USB combo port, memory card reader, HDMI (depending on each model), RGB, Webcam with Toshiba SmartFace Face Recognition software
9. Multi-touch TouchPad
10. WLAN (802.11b / g / n), Bluetooth V2.1 + EDR
11. Warranty: 1 year limited warranty by region
12. Available from May.

#### Satellite L630 / L635 with 3D motion sensor HDD protection

- Intel Core i5 processor or Intel Core i3
- Microsoft Windows 7 Home Premium operating system
- RAM up to 8GB DDR3 (1066MHz)
- Optical drive DVD SuperMulti Drive
- Standard 13.3-inch screen size Wide HD LED backlight with Clear SuperView technology
- Hard drive up to 500GB
- Intel HD graphics graphics card or ATI Mobility Radeon HD 5145 with 512MB of VRAM memory (depending on the model).
- 2 USB 2.0 ports, 1 eSATA / USB combo port, memory card reader, HDMI (depending on each model), RGB, Webcam with Toshiba SmartFace Face Recognition software

- Multi-touch TouchPad
- WLAN (802.11b / g / n), Bluetooth V2.1 + EDR
- Available from May.
