

Travel, want to stay in a luxury hotel with a discounted price, look through these 6 websites

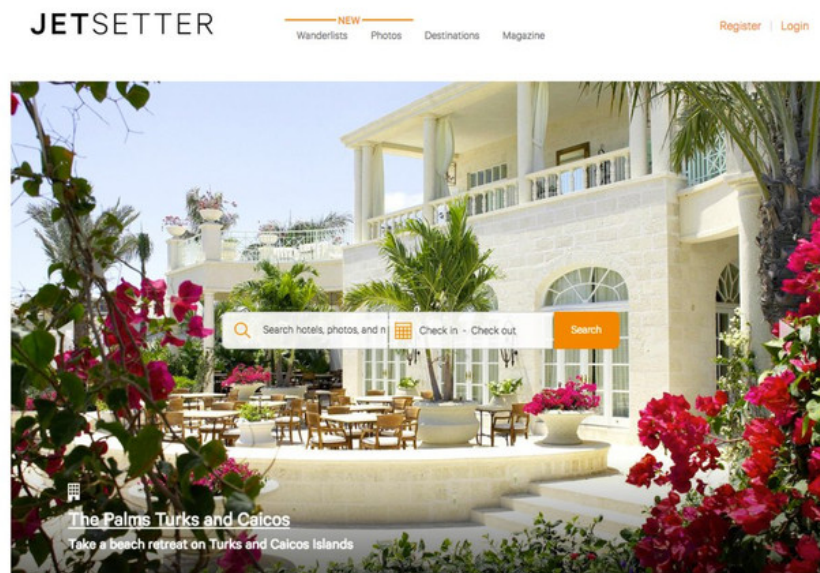

6 websites providing luxury hotel services with the following good prices will give you a chance to rest in luxury hotels, class but with reasonable prices.

1. Guidance on procedures for quick passport registration online
2. The divine poses will give you a beautiful image of ecstasy
3. 4 websites to book super cheap air tickets, helping people who often travel to the plane save "fumbling" the fare

Today we live in an era of explosive information technology, just a smartphone or computer connected to the network is able to see all the information in the world.

Thanks to the superior advantages of information technology, business people have cleverly built websites to help users know about their products. Technology development has revolutionized all industries, including tourism. If, as before, when we were traveling, we often pondered, should we think of luxury rooms? Because these rooms are often very high priced, but since these sites are available, you can easily find a wealth of luxury resorts with a wide range of prices to choose from. . To help you get more information about those websites, here are 6 world-famous websites that offer high-class hotel booking services with very "great" discounts.

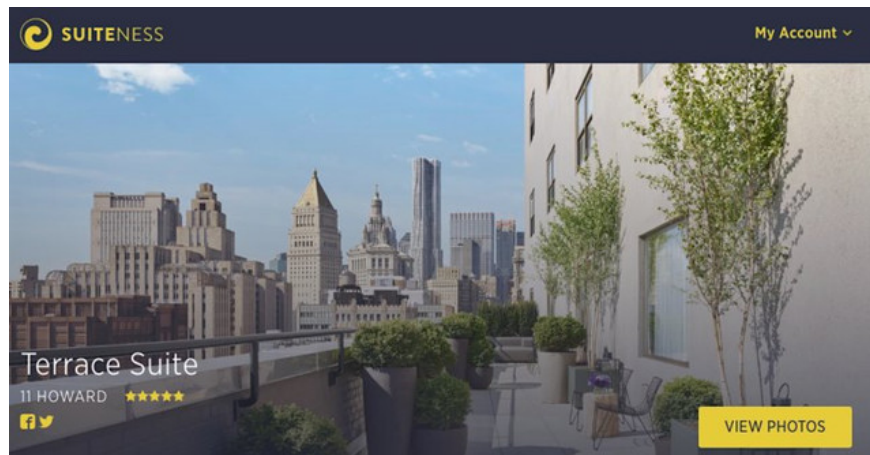

1. Jetsetter

With the passionate traveler, the Jetsetter will be a great choice, here you can easily find extremely bargain rooms in the most luxurious and luxurious resorts in the world. This website has been released since 2009, so far as a branch of TripAdvisor, Jetsetter has been more appreciated than ever thanks to the exclusive resort sales at most best hotels. world.

When logging into this website, you only need to provide an email address to be able to join the customer community of Jetsetter completely free of charge. After registering, you can comfortably book rooms with great preferential rates at any hotel in the list of Jetsetter, not to mention the strong discounts of 40% compared to the list prices usually pull 5 to 10 days long.

2. Mediteranique

For travelers who love to travel in the Mediterranean region, Mediteranique will be the best choice, this website will help you find the rooms with the most reasonable price. After completing the registration of information on Mediteranique, you will receive incentives sometimes up to 50% of the normal price.

In addition to the Mediterranean region, this website also provides information about luxury hotels in France, Greece, Italy, Morocco .

3. Secret Escapes

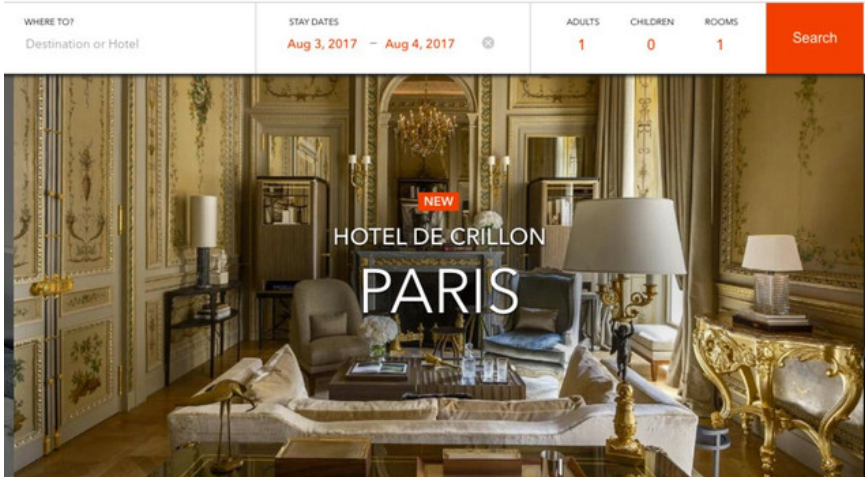

With a great preferential price for customers up to 70% compared to normal prices, this can shock you when visiting Secret Escapes for the first time. Secret Escapes only serves customers who are registered as their members, this website specializes in providing the best hotels with the cost of package selection, so you can rest assured to use the service from this web.

4. Voyage Privé

Voyage Privé is one of the few websites offering 2-in-1 services to users. Not only is the offer of preferential rates for customers, but Voyage Privé also provides more information about weekend vacations for easy reference. Voyage Privé always tries to bring high-class service packages with attractive prices for all travelers. In particular, there are times when this website has launched strong discounts of up to 70% but each phase only lasts 7 days.

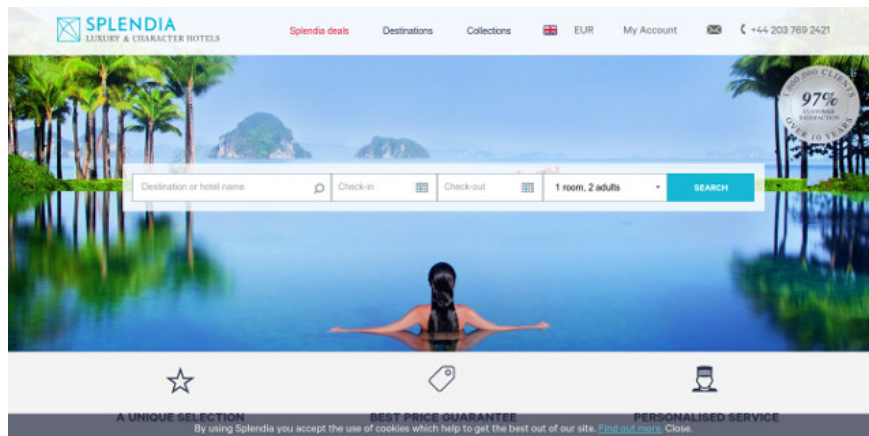

5. Tablet

Tablet is somewhat similar to Splendia in the way pages are organized based on reviews and reviews of experts and users. But the website is quite appreciative of the role of users when giving more hotel scoring functions. If the hotel is too much criticized, the information on discounts and promotions of the hotel will not be posted here.

Eliminate hotels with poor service but Tablet also regularly updates new hotels and special pages offering extremely attractive discount packages of super luxury hotels in the world. If you accept to spend USD 195 (about VND 4.3 million) a year to post the premium user account of the site, you will be using the Tablet Plus program that regularly provides extended, upgraded services of the Luxury hotels and resorts at very low prices even for free.

6. Splendia

If you are interested in staying in boutique style hotels, then Splendia is a perfect choice not to be missed.

Splendia builds a team of consultants and collaborators as well as a fairly objective and complete evaluation of hotels and promotions, creating the site's own credibility with users. Conversely, if you register for a free account and regularly comment, share, evaluate or book service packages from Splendia, users will earn points and receive promotional gifts. small free.
