

# Types of vehicles move in Rules of Survival

Moving and fighting vehicles in Rules of Survival are an integral part of the game, helping you to protect yourself or even attack your opponent.

Besides guns and weapons in the Rules of Survival game, these types of vehicles are also one of the factors not to be missed when participating in this fierce survival shooting battle. In addition to the main purpose of moving, the vehicles can help players escape quickly when falling into the situation where the enemy fights, or becomes a factor that helps you destroy the enemy.

The use of vehicles or other vehicles will be helpful when staying too far from the wheel. You will arrive faster, instead of going the old way. Join the Network Administrator to review the main means in Rules of Survival.

## List of vehicles in Rules of Survival

1. Download the Rules of Survival PC game
2. Download the game Rules of Survival Android
3. Download Rules of Survival iOS

### 1. Bicycle

This is a rudimentary vehicle with slow speed in the game. Maximum vehicles can only carry 2 people without the ability to support bullets or anything else. The advantage of using a bike is that it is secret to walk on the road because it makes no noise at all. Enemies will not know the exact location where you are attacking, often used to attack.

## 2. Motorbike:

Starting with the list of motorcycles is a fast-paced motorcycle that can carry 2 people, the speed and mobility of motorbikes is very high. However, if using a motorbike, there will be noise and poor ability to support the bullets.

## 3. 3-wheeled vehicle:

If you own a three-wheeled vehicle, there will be safety protection for the rear passenger, due to the protection shield to not hit the bullet. The maximum vehicle becomes 4 people, there is no nitro and the noise is quite loud when moving. The player should also note that the enemy can hide behind the vehicle to jump off an unexpected attack.

#### 4. Sports cars:

This type of car also has fast moving speed, bulletproof ability at medium range. Especially nitro gas is provided for emergencies such as fleeing enemies, attacking opponents need to speed up.

#### 5. Jeep:

If there are 4 types of vehicles on the jeep, it is very difficult to shoot and activate nitro when speed is needed. This vehicle will only carry 2 people.

## 6. Cano:

1. What's special about Cano in the Rules of Survival version?

Cano or Speedboat is a new waterway vehicle added in December. This vehicle can carry up to 4 people, fast travel speed. But the ability to hide is very difficult if the target is aiming from above. Or when shot, it is impossible to find a position around to protect yourself.

In general, different types of vehicles possess different advantages and limitations. The use of a vehicle will depend on the situation you are experiencing, to choose the appropriate vehicle.
