

Ubisoft gives away free blockbuster Watch Dogs 2 for free

Ubisoft will give away free open blockbuster Watch Dogs 2 during Ubisoft Forward event starting at 1:30 am on July 13

Any gamer can download, play Watch Dogs 2 and keep it in their collection permanently free.

Watch Dogs 2 is built on an open world structure, set in the future of San Francisco, when technology plays an important role. The content of the game revolves around the character Marcus Holloway, hackers working in a group of mysterious hackers.

In co-op mode, you can be with another person to "hack" an entire city together. This will definitely be an extremely enjoyable experience for gamers and their friends.

Watch Dogs 2 reached 83/100 on Metacritic, and received countless compliments from both the gaming community and critics.

Note: You only have about 2 hours only (from 2am - 4am Monday, July 13) to download and receive games (during Ubisoft Forward event). Therefore, you should be ready to receive games as quickly as possible to avoid server crash.
