To help players get off to a smooth start and enhance their survival chances, the developers frequently release Gift Codes with valuable rewards such as:

1. **Get free Gems:** Gems are the premium currency used to purchase powerful items, equipment, and skins. Use Gems to unlock new character classes and enhance your team's combat/support capabilities.
2. **Obtain exclusive event items:** Get special resources (e.g., Candy during the Halloween event). Use these items to exchange for limited-time rewards (skins, furniture, event classes).
3. **Survival support:** Provides resources that give players an early advantage in upgrading their base or purchasing better equipment.

Frequently Asked Questions about the 99 Nights In The Forest new code

Below are the most common questions the gaming community has about gift codes in this popular survival horror game on Roblox:

Why am I getting an error or not receiving my gift after entering the code?

Answer: There are three most common reasons:

1. Incorrect characters/Uppercase/Lowercase: The game code is case-sensitive and distinguishes between uppercase and lowercase letters and special characters . Therefore, it is best to copy and paste to ensure accuracy.
2. Expired Code: Each code has a specific expiration date and will no longer work after the event ends or the redemption limit is reached.
3. Code has been used: Each Roblox account is only allowed to enter one unique code once.

Is the code "yay fishing" a regular code?

Not exactly. "yay fishing" is a hidden/secret code entered through the in-game chat window, not through the official code redemption system. This code usually only provides a small amount of Gems (2-3 gems) and can only be used once.
