

Vampires Eliza is sexy to the point of excitement

Vampire Eliza is one of the cult characters of the fighting game Tekken 7 extremely 'hot' on PC and her cosplay of course is equally hot.

Eliza is a relatively new character in the game **Tekken 7** . And as soon as appeared, quickly attracted the players, ranked among the most beautiful, seductive and sexiest female characters online game village.

Because of such beauty, this vampire girl quickly became a strong inspiration for many leading cosplayers in the world. In just a short time, countless photos of gorgeous photos were released.

Above is Eliza cosplay version made by Pion Kim, which is considered as one of the most beautiful cosplay photos of Eliza character in particular and even female vampires in general. From costumes, accessories, hair to face paint, all of them make a strong impression and are perfect to argue with.

Most recently, Korean beauty Pion Kim has transformed into a vampire Eliza. In particular, cosplayer Pion Kim also revealed that she was excited to be photographed in a bloody bath even if it was fake blood. Take a look at this unique set of photos.

If you do not know about Tekken 7, this is a long-standing fighting game with a plot surrounding the 7th Iron fist tournament as well as giving answers about the feud between members of the Mishima clan.

In Tekken 7, most boxers will punch, kick, and wrestle each time the opponent shows an opening. Just a moment of indecisiveness or the wrong move when fighting against a higher level opponent is enough to be violently beaten and failed quickly because Tekken 7 game includes many types of continuous fighting. (combo) extremely impressive. This action game has made millions of gamers passionate.

Pinnacle of cosplay: Jinx "two back" but everyone must be passionate to look

Recently, hot streamer Michu appeared in the latest cosplay for the quite special Jinx character of League of Legends.
