

Vice President BKAV quit his job

Information from Bkav said, Mr. Nguyen Minh Duc - Former Vice President of Network Security of Bkav will no longer work at Bkav since November 24, 2013.

Information from Bkav said, Mr. Nguyen Minh Duc - Former Vice President of Network Security of Bkav will no longer work at Bkav since November 24, 2013.

Mr. Nguyen Minh Duc

Mr. *Nguyen Minh Duc*, in charge of Bkav's network security department, has more than 9 years working in network security in this company. Mr. Duc personally led many researches, reviews and important warnings on cyber security issues in Vietnam, and even problems related to cyber security abroad.

Mr. Nguyen Minh Duc is also the main lecturer in **Bkav**'s network security training courses for businesses such as banking, finance, telecommunications, as independent network security assessment consultant for business, organization.

According to Bkav's information, Mr. Nguyen Minh Duc leaving Bkav also means that Bkav's title of security spokesman and digital signature will be handed over to Mr. Ngo Tuan Anh - the new person appointed to the position of Vice President of Cyber Security. Mr. Duc left.

At Bkav, Network Security and Research - Development are known as two key parts.

Until now, there has not been any information about 'new berth' of Bkav's Vice President of Network Security.
