

Vietnamese costume on Yahoo Messenger

The avatar (avatar) in the chat window becomes more dear when the character has its own character of the country. A girl can wear a four-piece or three-piece shirt. And the boy will wear a hat, park a motorbike on Ho Guom Lake.

The avatar (avatar) in the chat window becomes more dear when the character has its own character of the country. A girl can wear a four-piece or three-piece shirt. And the boy will wear a hat, park a motorbike on Ho Guom Lake.

Visit this page and log in to your Yahoo account, the user can choose **Male** (son) or **Female** (daughter)> click **Create my Avatar** to start creating his image.

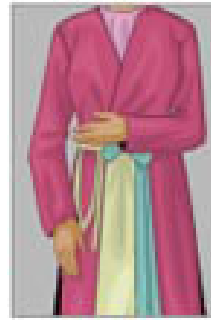

Apparel items, outfits, hats, **Backgrounds** , and **Backgrounds** will bring Vietnamese characters with a number of options. For example: want to create a girl wearing a long dress, a hat with a leaf, standing in front of the Sword Lake, you choose Female from the beginning. Go to the **Apparel** section and click on the **White Ao dai** , in **Extras** click on **Leaf Hat** , in the **Backgrounds** section select Hoan Kiem Lake. Once created, click **Save changes** to save the avatar. Show each new ao dai item to change the shirt color like red, white, yellow .
