ViewSonic, a company famous for computer screens, launched two netbooks with different designs. While VNB100 has 5 colors: white, black, yellow, red or pink, the "VBN101" is simple with only 3 colors: black, red and yellow, in return, it is equipped with a very strong protection against wear and water. sure.

VNB100 uses 10.2-inch screen, Intel Atom N270 processor, 1 GB RAM, hard drive, 160 GB HDD, 1.3 Megapixel Webcam, Wi-Fi connection, 3 USB ports and expansion card slot ExpressCard 34 slot.

VNB101 is a more advanced netbook (similar to the Asus Eee PC S101), which also uses a 10.2-inch screen, equipped with a more powerful processor than Intel Atom N280, 1 GB of RAM, 160 GB HDD, Full Webcam, memory card reader, Wi-Fi connections, Bluetooth but only 2 USB ports.

These two models will be sold in Asia - Pacific from the end of July.
