

# Want to earn the fastest Pokécoins in Pokémon Go? So don't miss this article!

Pokécoins in Pokémon Go play the role of buying items in the store. The more coins you earn, the more likely you are to buy more items. To earn Pokécoins, players will have to complete certain tasks or buy real money.

Immediately after its debut, Pokémon Go stood "on the spot" on the game rankings worldwide. Becoming a powerful wave of catching Pokémon, the game made many gamers go crazy with the game. With extremely new gameplay, each player will have to move from one place to another to be able to catch as many Pokémon as possible. After that, you will become coaches when you bring your Pokémon war team to participate in exercises and fight with other opponents.

1. Summary - How to play Pokemon GO, virtual reality game catch Pokemon on smartphone
2. Pokémon systems when fighting in Pokémon Go

For any game, coins are always an important factor so you can buy more necessary items for yourself and Pokémon Go does not lie out. Some items you can buy in Pokéstops like Pokéball or Pokémon eggs. Of course, the more coins you earn, the more likely you are to buy many items. The search for Pokémon coins will be done through completing quests or buying with real money. In this article, we will show you how to get the most effective and completely free Pokécoins.

## 1. Build a defensive defense firm:

In the article How to use the Gym to defeat opponents in Pokémon Go ?, we stated why the Gym plays an important role in increasing the power to defeat the opponent. It will become the training arena for the player's

Pokémon warriors. But it is also a battlefield where each team must defend, to avoid the attack of other Pokémon teams. As soon as they own the Gym, gamers need to choose the strongest Pokémon to take care of the gym. If the defense is successful and does not allow the Gym to fall into the opponent's hand, you will receive the Defense Bonus reward.

## So where do you get your Pokécoins from the Gym?

When mobilizing a Pokémon defense force, a 21-hour countdown system will be activated. At the end of the successful defense of the gym and 21 hours, we will receive Pokécoins and Stardust. Each Pokémon completing the mission will receive **10 Pokécoins** and **500 Stardust**.

For example, you have at least 10 Gyms in your hand, which means you will earn 100 Pokécoins and 500 Stardust each day after 21 hours of protection. To be able to collect this reward, game players visit the store and click on the Shield icon to launch the 21-hour countdown system. So please mobilize strong Pokémon in your team to successfully defend the gym. Team strength is more important than ever.

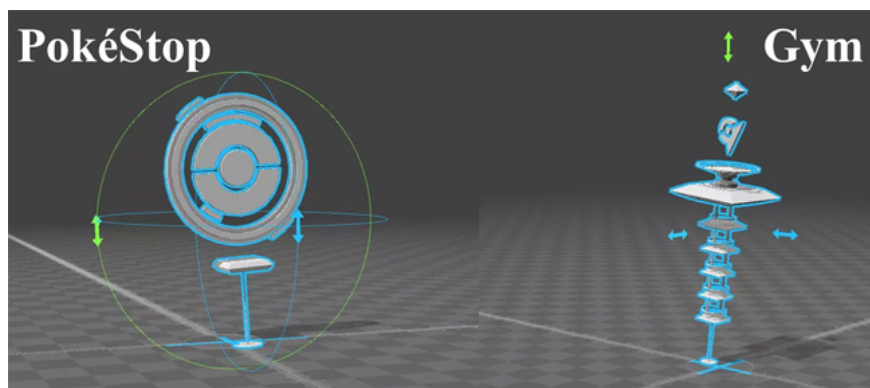

## 2. Regularly visit Pokéstops:

Many people often think that going to Pokémon will only "spend money" when buying items. But if we know how to make use of it, we can still earn Pokécoins from the Pokéstop itself.

When you first participate in the Pokémon Go battle, your GPS will locate the Gym, Grass field (for wild Pokémon), Pokéstops. Pokéstops is usually in a crowded place or a popular and hidden place. "bargain" for game players.

When gamers are in Pokéstops, just checking that location by shooting the image will have a chance to get random parts like Pokéball, Pokémon eggs, even Pokécoins. So go to Pokéstops not sure to spend money as you think, but you can get many precious Pokécoins.

However, you should note one point, the Pokéstops will re-upload after the 10 -12 minute period. So, please hurry and pay attention to be able to get yourself the most attractive items is that Pokécoins.
