

Watching the photo of a Japanese couple wearing double clothes for 37 years

In recent days, netizens are feverish with a very lively and meaningful picture of an old Japanese couple who always wears double clothes during their marriage years.

In recent days, netizens are feverish with a very lively and meaningful picture of an old Japanese couple who always wears double clothes during their marriage years.

While some people are trying to find a match that suits them, the **Japanese couple** 's well-coordinated combination is truly amazing. You can see this through the photos below, the costumes that this old couple wear looks cool. The couple has a **bonpon51** account on Instagram (*this account is a combination of two people 's names along with their wedding day*), their accounts have more than 65k followers.

It is known that the couple are both over 60 years old and married for 37 years, but their daily dress style seems to be only half of their age. Gu fashion is very stylish of two silver-haired bearded grandparents with sweet old love. Even when faced with many difficulties and turbulence in life, they are always together, holding hands tightly to discover new lands and the more lovely thing is that they always wear double clothes every day. Which outfit do you like best? Do you believe this old Japanese couple has been wearing double clothes during their 37 years of marriage?

Do you want a sweet love like this?
