The rewards you can get in the freebies include gems, character recruiting tickets, in-game currency and even high-star characters.

What game is Rage of Demon King?

Rage of Demon King is an exciting turn-based tactical role-playing game, and it is indeed the global version of Demon Slayer Mobile. When participating in the game, you will be able to build your own demon slaying team with your favorite characters from the famous anime Demon Slayer - Kimetsu no Yaiba.

The game has a simple but colorful and eye-catching graphic style. Game mechanics are also very simple when the game is in the turn-based genre. Just choose the gate you need to pass, the characters in your demon slaying squad will automatically complete the rest.

The game offers you a diverse character system for you to recruit and use, with each character possessing unique skills.
