The trading of in-game items has been around for a long time, from the era of 3Q games, martial arts, . Until now there are still some Game titles that allow users to exchange items with others, With rare and high-end items, it's easy for you to earn money. One of the most profitable item exchange games we can mention is CS: GO when there are rare items being traded for about \$ 1,800 (equivalent to 40,000,000 VND). In addition to CS:

GO, we also have other games that easily make money from exchanging in-game items such as Fifa Online 4, 3Q, Vo Lam, Blade & Soul, Dota, CS: GO, .

3. Trade Nick / Acc Game

Not every online game in the world supports users to exchange items, this is the intention of the manufacturer because they do not want to lose certain revenue sources. Because of that, people who make money from Game Online create a new way that is to sell Nick Games, Nick Games will be plowed to a certain level, own a certain number of items and for sale through the intermediaries page to the user. However, the trade in Nick / Acc Game, you should not load the card into that Nick / Acc Game much because most of the loaded when reselling, there is only a loss. Some good games are used to trade Nick / Acc Game: Raid, League of Legends, Blade & Sound, OverWatch, PUBG, Lien Quan, .

4. Join the tournament

For the famous Online Game titles, in a year there are often many tournaments for gamers to exchange. Each tournament depends on how big or not there will be a certain level of rewards. Please take part in the prizes to bring money for yourself, but participating in the tournament you will have to compete with many different "Pro Player", so it is somewhat difficult: One of The best online games with tournaments: League of Legends, PUBG, CS: GO, .

5. Account leasing

If you have too many Game Online accounts but don't use it, then you should think about leasing. The account rental has been around for a long time, but in 2018 it was more than ever when PUBG was born. When PUBG was born, it was sold for nearly 400,000 VND, a price not for students. Instead of spending VND 400,000 to buy the game off, you can spend "a cup of iced tea" to hire the Game nick within a few hours. One of the best games for rent accounts: PUBG, CS: GO, OverWatch, .
