Guide to receive Diamonds, Purple Lucci and gold in Boom M

Firstly, when you enter the game, you will receive daily attendance. The reward for daily attendance will be Lucci purple, Prison and, little powder.

Then when entering the game interface, you will see in the upper right corner there is a gift receipt icon in the game online time, click on the box icon as shown below to receive gifts.

The gift you can get from this box may be gold, purple lucci, when this symbol changes to the waiting time. You can click on it to receive rewards from the event, such as an emergency maintenance reward, which can reach more than 1,000 purple lucci.

To receive Diamonds, click on the Ads icon next to it.

The number of Diamonds received is not much, but it will be enough for you to use, every day you only receive a limited number of times to watch the video to receive diamonds, so get enough. Each time see each other about 30 minutes apart.

Next is the reward in the Guide Center, click on the icon as shown below to receive the reward.

In the Tutorial Center, you will receive rewards when leveling up, but also here tells you what you will have to do in the game. The main task item will tell you the items and features you can unlock at the current level.

On the left side of the screen, you can see the Daily Tasks section, click on it and check if you have completed any tasks. If so, click on **Receive Rewards** to receive.

In addition to purple and gold Lucci, you will have a weekly quest point for your activity, this bonus is orange and if you reach the first milestone of 25, you will have a gift box that will cover many Rewards combined.

There are a few ways to get the purple Lucci, Diamond and gold in the game, you can see that if you sum it all up, the amount of rewards you get is quite good for you to have a good start in Boom Mobile.
