

What do you know about chocolate?

Chocolate is not only a delicious food but also a symbol of sweet and intense love. So what do you know about chocolate?

1. Question 1: What kind of climate does cocoa beans grow in?

1. Mild
2. desert
3. Tropic
4. Korea

Cocoa seeds grow on trees that live near the equator and are suitable for tropical weather.

2. Question 2: Chocolate can reduce the risk of heart disease.

1. It's correct
2. False

Chocolate, coffee and tea both contain high levels of chemicals called phenolics that may help reduce the risk of heart disease.

3. Question 3: The Swiss invented Socola.

1. It's correct
2. False

Chocolate was first brought to Europe by Spaniards (from Amazon's rainforest forests). In Europe it was originally used as a drink. The Swiss developed a number of processes that contributed to the creation of chocolate in solid form.

4. Question 4: In 2011, the record for the world's largest chocolate bar was broken in the UK to celebrate the 100th anniversary of the establishment of a large chocolate manufacturer. How heavy is this bar?

1. 19,653 kg
2. 2,087kg
3. 5,792 kg
4. 8,239 kg

The giant bar weighing 5.792 kg was created by British manufacturer Socola Thornton. It was made to celebrate the company's 100th anniversary.

5. Question 5: In Japan, on Valentine's Day, girls will give their special boys a box of chocolates. So where is the day the guy will respond?

1. Brown Day
2. White Day
3. Black Day
4. Blue Day

White Day is one month after Valentine's Day (March 14). This custom is only available in Japan.

6. Question 6: Where was the first chocolate chip cookie made?

1. Whitman, Massachusetts
2. San Fransisco, California
3. Dallas, Texas
4. Hershey, Pennsylvania

The first chocolate chip cake was made in Whitman, Massachusetts in 1937 at an old inn by mixing chocolate pieces with biscuits

7. Question 7: Chocolate will make you more "flashlight" - acne on the face?
1. It's correct
 2. False

Researchers at the University of Pennsylvania claim that chocolate has nothing to do with acne.

8. Question 8: What kind of chocolate is the most healthy?
1. Black Chocolate
 2. Chocolate Milk
 3. White Chocolate

9. Question 9: Why is there white chocolate?
1. Because the ingredients are mainly milk.
 2. No cocoa solids.
 3. The color has been bleached

White chocolate has cocoa butter, so technically it's called chocolate. But it does not have cocoa solids - ingredients that give chocolate a rich color.

10. Question 10: Which holiday of the year will people buy the most candies in the world?
1. Valentine Valentine's Day
 2. Halloween
 3. Easter

It may sound surprising, but Valentine is not the first holiday when it comes to buying sweets. Halloween, Easter and Christmas are all occasions where people buy more candy.
