

What does Easter Egg mean? How they are understood in the game

In this article, please read with the Network Administrator to find out what Easter Egg means and what circumstances they are used for.

For those who love popular games like GTA 5, The Witcher: Wild Hunt and Diablo, Red Dead Redemption . it's probably no stranger to Easter Egg.

Easter Egg not only appears in games, it also appears on some software as well as some famous movies. In this article, please read with the Network Administrator to find out what Easter Egg means and what circumstances they are used for.

1. Easter Egg in the game and some movies

Easter egg besides the meaning of a gift for children on Easter day, it also has another meaning that is the story of a game company.

In 1979, at a US game company, a game developer named Atari released the game as Adventure. Since he was not allowed to put his name in the game he created himself, the guy Warren Robinett, one of the game builders felt quite annoyed about this, and he secretly inserted the code when the player Drag the mouse over a certain position, the text will appear on the map 'Created by Warren Robinett' only the qualified people can recognize this difference. This game is similar to the kid's egg hunt in Easter.

2. Easter Egg story about eggs in Easter

For those who follow the Christian religion, the day of Easter is an extremely important day for them, this is the day to commemorate the event of Jesus' resurrection after being crucified.

Easter does not have a fixed date every year, it usually falls between March 22 and April 25, based on a rather complex calculation involving the lunar calendar.

On these days, parents often boil eggs and decorate them in vibrant colors, or chocolate candies are substituted for eggs. After that, they put in the candy baskets and took them to hide all over the house to the garden. Children after waking up will be eager to hunt for eggs hidden by their parents.

Thus, we can understand the meaning of Easter Egg literally meaning easter eggs

Example of some Easter Egg in games and movies:

1. In the movie Captain Marvel, Helion is the ship used by Starforce when on duty. In the comics, this is the ship Captain Marvel first Mar-Vell joined to perform a mission under Earth, in the character's first appearance. This is something few people know and can be considered an Easter Egg.
2. In the famous GTA 5 game, there are many Easter Eggs that make players curious as to: UFO 1 on Chilliad mountain, you have to complete 100% to see the UFO appear at 3pm. Another interesting Easter Egg that few people know is Playboy Mansion - where many girls gather.
3. Some small video games that Google integrates into the Chrome browser or the user's search box and you may never know them. For example, try typing 'pac-man' in the search box. You will be able to play an interesting game right away.

Hopefully the above article answers to you what is the Easter Egg phrase. Depending on the situation, please use it correctly.
