

What if the 'fashion icon' is an 85 year old farmer?

This 85-year-old man will prove to you fashion not only regardless of the weather but also his age.

This man is not a fashion model. He is simply an 85-year-old farmer who lives in a rural area in Fujian Province, China. However, the photo gallery below taken by photographer XiaoYeJieXi will definitely make you gasp for the coolness and "gentlemen's level" of this farmer! Moreover, his smile, his youthful attitude and a bit of humor are enough to make each of us realize a lesson: Do what you like and be confident with what you have.

85-year-old man in everyday life

Photographer XiaoYeJieXi has decided to take this man to the city and start implementing his plan. This is the result you admire:

This is a very professional "model"

He also posed with umbrellas and the stance was very "majestic".
