

What is Call of Duty Mobile cross code and how to redeem cross codes for gifts

Here's how to get a cross-code and enter a cross-code to get a reward in Call of Duty Mobile, a type of code that can get you a permanent weapon.

What is Call of Duty Mobile cipher?

If you glance at Fanpage Call of Duty Mobile VN on Facebook or somewhere with a community of Call Of Duty Mobile VN players, you will see a lot of players share a 6-character code consisting of letters and numbers. , many people call this code cross-code.

So what is Call of Duty cross-code that many people share like this, this is essentially an invitation code that any gamer has when participating in Call of Duty Mobile. Like the Cod Mobile code.

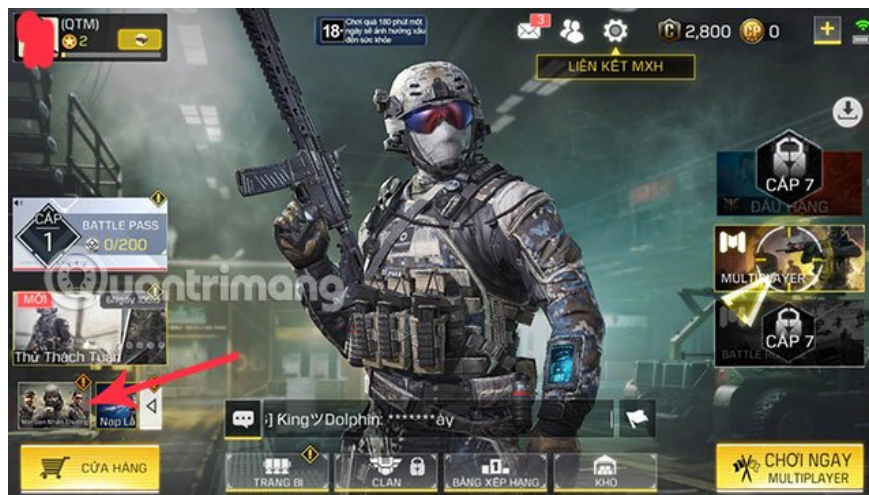

During operation, you can invite your friends to register and enter your invitation code. Every time your friend reaches a certain level, you get a reward. Each invitation code can only be entered by 10 players.

If the person enters the code below 16 levels, they will also receive a reward for successfully entering your code. Note that once you have successfully entered the invitation code, it cannot be undone.

Enter the COD Mobile VNG cross code and find your cross code

Step 1: Firstly, in the main interface of COD Mobile, click on the icon of the offer you receive .

Step 2: In the **Rewards** tab , you will have the Invite button and you will immediately see your Invitation **Code** here. Click Invite and you will be sharing the invitation code via some social networks.

Step 3: To enter the code of the other players, click the **Invitation code** , then enter the invitation code below and click **Agree** .

Your gifts can be received when you are under 16 and enter another person's invitation code, a little C, a weapon experience card and another gun.

And if a player enters your code, immediately a progress line will be displayed on the **Rewards** tab , click accept and you will receive a gift corresponding to the **Friend Level** below. At the same time, the **Progress** line will increase.

The more people enter your code, the more rewards will come closer to you. At the same time, those players under 16lv who enter your code also have some small rewards. Such is beneficial to both parties.

What are you waiting for without going to Fanpage and COD Mobile VN Group to share your code. Try to share a lot of comments strolling to receive gifts. If you want more ad guidance on Call of Duty Mobile PC, comment below.
