So "cool" means what, how to dress cool cool trend trend today. If you love this style, do not ignore the following article of Network Administrator offline.

What is cool cool?

Cool cool is a slang of Vietnamese youth often used from social networks to daily life. Cool cool means this person has a beautiful fashion style and great personality.

A person who wants to be called cool must include elements such as intelligence, a handsome face, strong, uninterested in external factors, attracting people around when appearing especially girls.

Like other slang words of young, cool people often go along with other slang words to complement the sentence as well as increase the tone of the communication sentences such as cool, cool, cool, cool fire .

Cool cool is the word dedicated to the boys who are cold and hard to reach. Just that much will make the girls fall in without having to saw.

Why is cool cool so attractive?

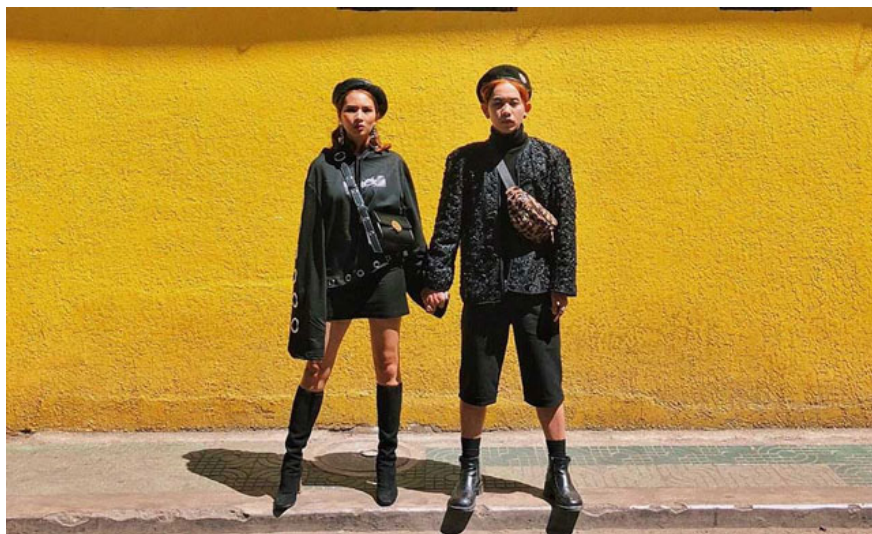

Often, people are very curious about something new, if you are different in the same people, make sure you are the brightest. Cool cool style so that many people choose, both simple and effective. So why don't you try it?

A guy appeared in the crowd but with a cool, quiet look, people around him especially curious about this morning 'star'.

If you intend to conquer a certain girl, you can apply this method, surely the chance to 'saw' her will be very high.

How to create this style?

After listening to the theory, are you ready to apply it to practice? Not everyone can successfully apply cool cool style for the first time. So, to help readers easily apply this style, today we will introduce you a few tips for you to do.

In order to have a cool and cool style, you must have a basic knowledge of fashion, know which styles are following the trend and understand which styles are suitable for your body, which is the key to help you build. Be stylish for yourself.

A leather jacket incorporating a pair of Jeans pants, indispensable for a pair of high-necked boots with cold, charismatic charisma ensures that any girl can't stand it.

Or there is another option for you to wear a plain colored T-shirt, go along with an oversized shirt, a torn jean with a pair of light white sports shoes that will bring quite a surprising effect.

Besides, you can also use a lightweight jean jacket that doesn't reduce that attraction.

When you have a standard style of marshal, a neat, suitable hairstyle for your face will be the final highlight to perfect your cool cool style. Currently trend hair has forehead cover, turn the direction is very popular. If you don't like it, you can choose either a strong personality under cut or a little sticky hair that creates incredible appeal.
