## What is FYI? How to use FYI

FYI is an **abbreviation of the English word For Your Information** , which means **'Please tell me'** . We can better understand the content of this word meaning that this is the information you need. Therefore, FYI is used a lot in email, on social networks, when chatting or attaching files in messages when forwarding content to others for them to get more information.

The location of the FYI message will appear in the first line of the forwarded email while still holding the original email content, and the recipient will understand the sender's intent to provide additional information.

In addition FYI also appeared in the TV series Murphu Brown, or the name of an American ABC show in 1980, FYI is also the abbreviation of Fashion Youth Indulgence. But in general, FYI is used more often than in email, which means For Your Information in email forwarding.

So you know what the FYI abbreviation means for its intended use.
