

# What is Groot?

Groot is a typical character and has become a social network meme with I am Groot repetitive lines. So, who is Groot?

Recently 1977 Vlog uploaded a new video entitled "The Last Leaf - Mother Earth Power" based on the famous work The last leaf of writer O. Henry. In the video, we will see many metaphorical quotes and images used, such as 'We are Groot' . Surely when watching the video, you do not understand what the meaning of 'We are Groot' and who Groot in the sentence refers to or refer to the content or details. The following article will help you explain what Groot is and what the meaning of 'We are Groot' is.

## What does Groot mean?

If you already know or don't know, **Groot is a hero** who appears in **American comic books published by Marvel Comics** , and **the protagonist in the Guardians of the Galaxy film** produced by **Marvel Studios** . Groot appears in the form of a tree, a member of the Guard.

In the final scene in the Guardians of the Milky Way, the character Groot uses his body to form a cover to protect his allies before Ronan's Dark Aster drops down and will face death. And it was at the scene when Rocket asked why this was done and Groot said the last word 'We are Groot' that captured the emotions of many moviegoers. In the 1977 Vlog clip, the character segment embraces a tree and says 'We are Groot' to point to the importance of trees to humans, they will be like Groot, protecting humanity from changes of climate.
