

# What is Zefoy TikTok? Instructions on how to use Zefoy to increase TikTok followers

Since TikTok became a trend among young people, there have been countless TikTok-related terms such as TikTok Money, TikTok Seller, TikTok Shop,... appearing. And the most recent one is Zefoy TikTok. Let's find out with Taimienphi right away.

## *I. What is Zefoy TikTok?*

Zefoy TikTok, launched in 2021, is a website for those who want to increase the number of followers, likes, views, shares, and comments on their TikTok channel. In other words, the software can support all the interactions on your TikTok channel if you want.

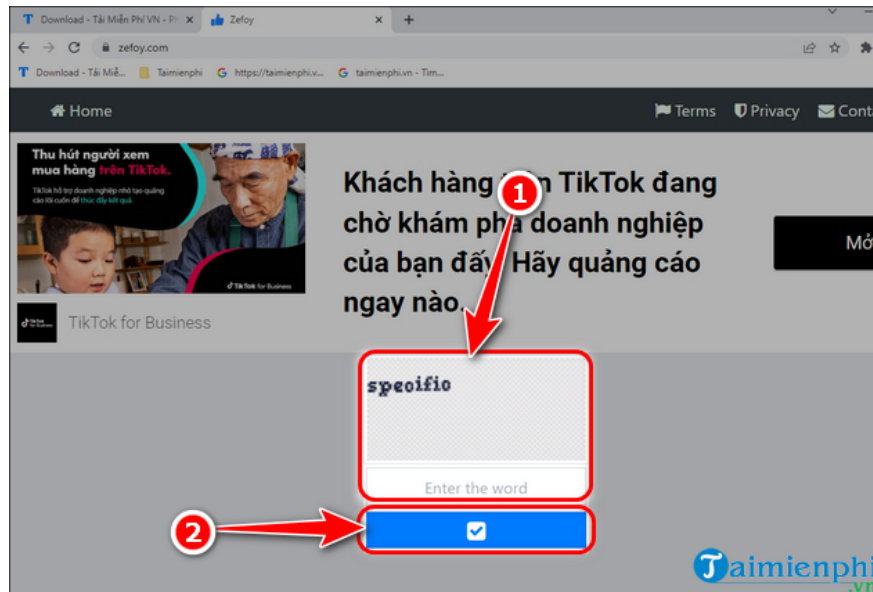

## *II. How to use Zefoy TikTok*

### *2. Detailed instructions*

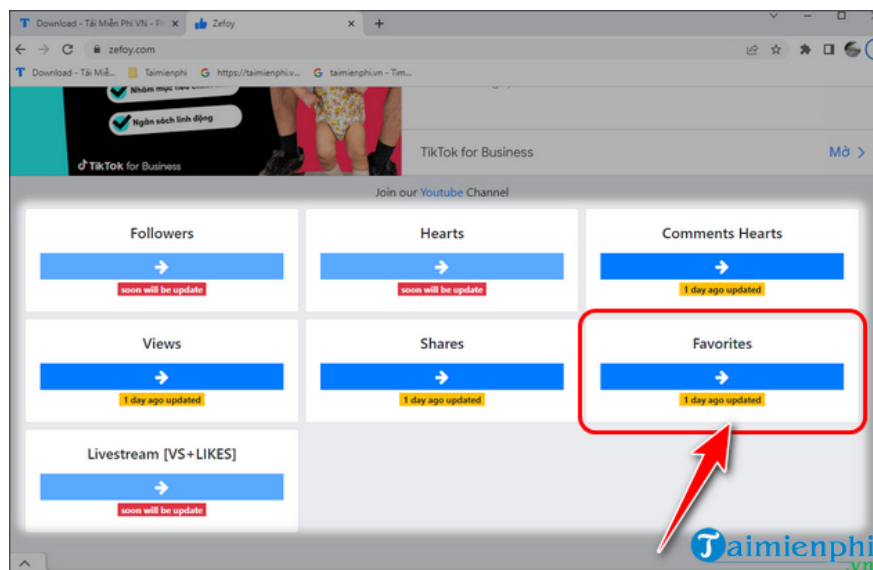

*Step 1:* Visit the Zefoy TikTok website

*Step 2:* Fill in **the captcha code** displayed on the screen => Click the button .

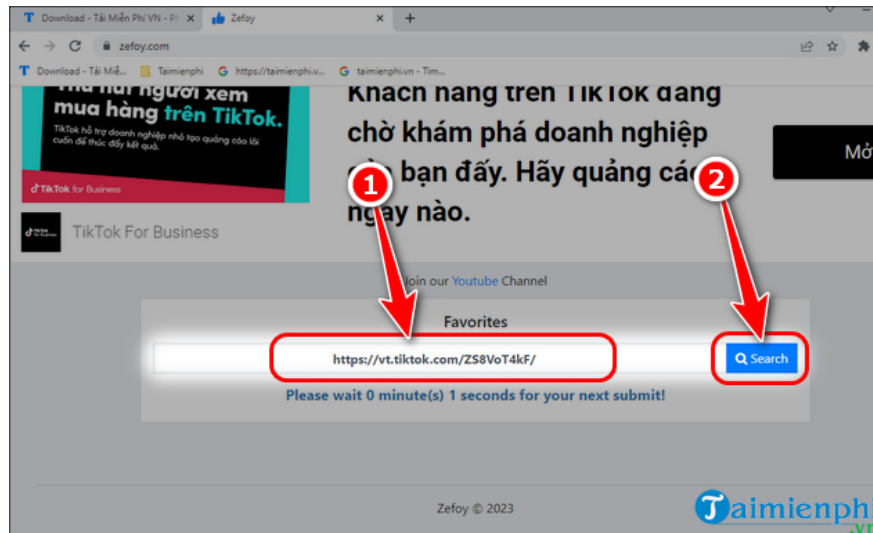

Step 3: Select **the interaction feature** (Like, View, Share, Favorites or Comments Hearts)

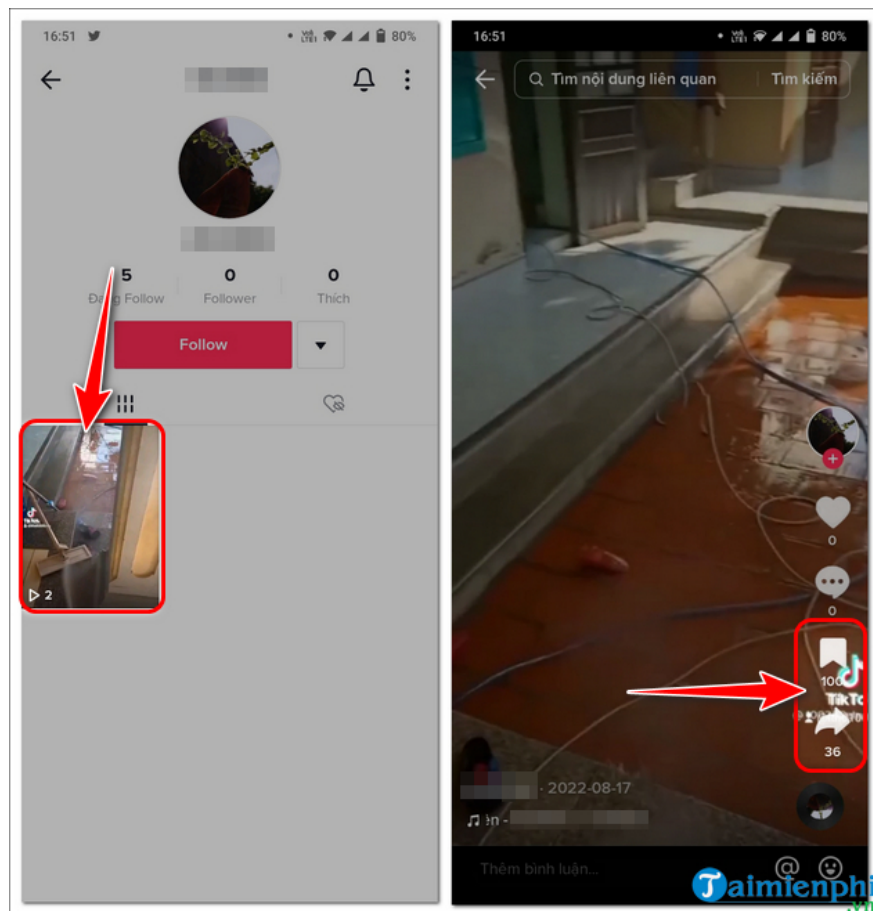

- **For example: Taimienphi** wants to **increase the number of Favorites** for a video, select **Favorites**.

Step 4: Paste the video link you want to increase interactions with into the blank box => Click **Search**.

- Now when you review the video on your TikTok channel, you will see an additional 100 Likes even though the video views are quite low.

Like any tool, they all have certain advantages and limitations. Zefoy TikTok does not contribute too much, but if you know how to use it properly combined with creating interesting content videos, the ability to make money on TikTok is huge.

You can also **download** other people's TikTok videos to your device and then re-upload them to your TikTok channel and from there you can use Zefoy.com to increase interaction for your channel.

If you are interested in making money online, you can also try **making money on CapCut** by creating sample videos, becoming a CapCut creator and earning huge income.
