

# What mean WTF? Where it comes from

What mean WTF? How does it work? The article below is the answer for you.

If you often surf on forums or social networks, you will surely find comments with abbreviations like WTF, fuck . This seems to have become a hobby, a trend with young people today. So what is WTF? Where does it come from? The article below is the answer for you.

## what mean WTF

WTF is an acronym for 'What The Fuck', this is an exclamation in English. This verse is often used to express feelings, unpleasant attitudes, dissatisfaction or an attitude of excitement, surprise at a certain event, like an exclamation. This sentence can be interpreted as 'what's wrong? Or what kind of dog is, what the heck, what is this death party . Especially the word 'FUCK' is a vulgar, proverbial word that many foreigners often use to scold each other and when airing television from This is usually masked or replaced with a 'beep'.

## Where does WTF come from?

These are the classic and popular sayings of not only young people but also all Western people. So it is not difficult to introduce this language style to young Vietnamese through foreign films, blockbusters or simply Western Europeans who live in Vietnam so crowded when In contact with them, we somehow "spread" their culture.

In addition, young people in Vietnam are still in the wild, using WTF to refer to some other content variations, namely:

1. Want To Fight: Do you want to fight?

2. Welcome to Facebook: Welcome to Facebook.
3. Welcome to FA: Welcome to the happy singles society.

In addition to the above meaning, the WTF is also understood in another sense as the World Taekwondo Federation (International Teakwondo Federation).
