Answers

You usually wear bags in the style:

First type: Wear behind your back

If you like carrying backpacks behind you, you're probably the one who is always ready for adventures and can go anywhere, anytime. You are **thoughtful and kind** to everyone, which makes others willing to follow you.

Second type: Carrying bag in hand

If you are the one holding your bag in your hand, **holding and controlling everything** is your motto. You like to capture all the information and always give your own opinion. You can tell others the whole truth about themselves, if that's what they ask for. You are the one who has the trust of everyone.

Third type: Put on a shoulder bag

The habit of wearing a shoulder bag indicates that you are a **person who loves reading** . Wearing a bag in this position, you can find your favorite book even when the bag is cramped. You are polite, even if you feel sleepy while listening to their confidences, you will also try to listen and nod your head in agreement over and over again and again. seem to agree with them.

Fourth type: Wearing a shoulder bag

Wearing a shoulder bag so no robber can snatch your bag. You are a **bit inclined to show off valuable property** but also very generous. Be careful because some people will take advantage of this feature to gain profits.

Fifth type: Wear a bag in front of your belly

Is there something going through you? A tornado? No, it was a person carrying their bags in front of their stomachs - the only way to keep the bag from being blown away by the wind as they moved at high speed. Wearing a bag in front of your abdomen shows you are **eccentric** . This eccentricity often exceeds the limit, but it shows their sharp thinking and rich imagination.
