If you don't have a lot of money, you can do it the third way.

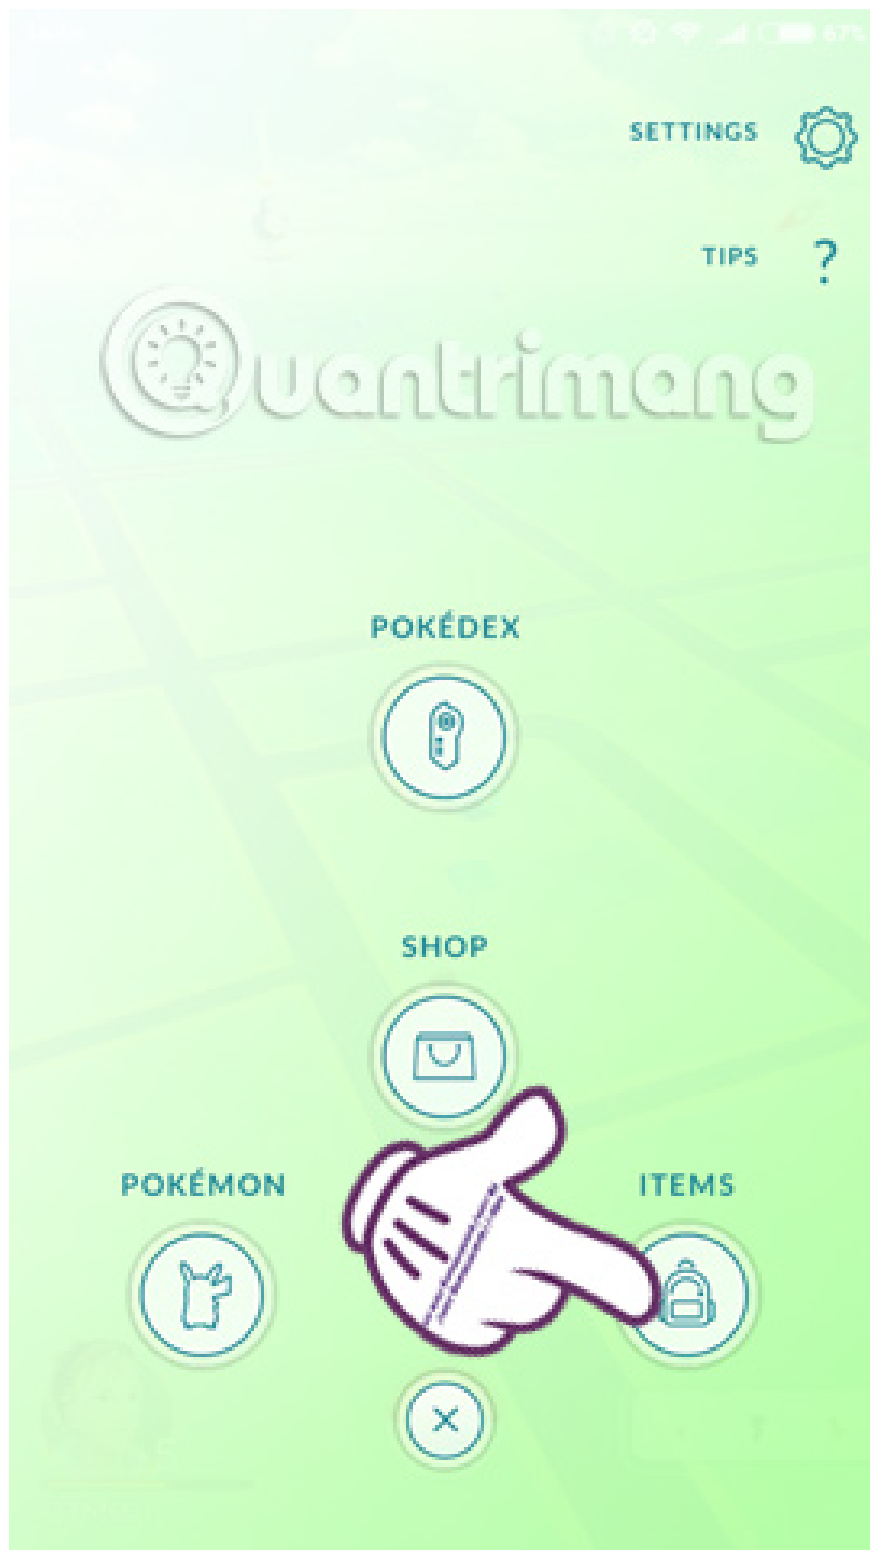

Method 3: Remove some items in the bag:

When receiving items in Pokéstop, you will receive a lot of a certain item may be Pokeball. Therefore, you can calculate the removal of a small amount in the item received in the inventory.

Step 1:

At the main interface of the game, please click on the icon **Pokeball** . Next select **ITEMS** .

Step 2:

There will be a **list of all the items** we have received. Select an item that has a large quantity to leave. Click on **the trash can icon** . For example, I chose the Revive item

Immediately after, the interface appears to increase or decrease the amount of items removed. Click the **check mark** - **to reduce the amount of discarded items** , or **+** **to increase the amount of discarded items** . Finally

click **Yes** to agree to remove the item.

Pokeball is an item or get Pokestop in large numbers. If your Pokeball has more then choose to remove some Pokeball fruit.

So we can create space in our item bag. Depending on the level as well as the amount and number of items you have, you can choose how to fit the space for your item bag. Please calculate carefully before we choose to remove any item and the amount of items removed in the 3rd option.
